Babcock Street Public Hearing Babcock Street Pedestrian & Bicycle Improvement Plan

Wednesday, April 13, 2016

7 PM to 10 PM

Selectmen's Hearing Room – Town Hall

333 Washington Street

The Transportation Board is seeking input on the various options put forth on altering the public right of way to accommodate all three transportation modes (pedestrians, cyclists, motor vehicles) on Babcock Street in advance of the planned roadway reconstruction in 2017. Plans are available for download on 4/6/2016 at www.brooklinema.gov/transportation and include potential traffic calming, cycle tracks, parking removal, partial one-way, and other options.

All interested citizens are encouraged to attend and provide their feedback.
