

NOTICE OF MEETING

The School Building Committee for the Edward Devotion School Renovation and Additions invites you to a meeting with the general contractor, Shawmut Design and Construction and the architectural firm, HMFH Architects, Inc. in order to update the neighborhood and parents with regards to the project with construction planned to commence in late June to early July. The meeting is scheduled for

Wednesday, June 8, 2016
7:00 PM

Edward Devotion School Auditorium
345 Harvard Street, Brookline

We view this as an opportunity to update the community on the project schedule, site logistics and utilization and other matters pertaining to the planned commencement of Construction. In addition you will have an opportunity to share your comments and ask questions. The Building Committee appreciates your involvement and support to date. If there are specific areas you would like addressed please send an email to tguigli@brooklinema.gov and we will attempt to cover them in the presentation. We look forward to seeing you on the 8th.
