Reviewed and revised draft of report-out to OSC

Set of things that the schools have not actively pursued that colleges, private schools and prestigious public schools have explored:

- Alumni donations
- Corporate sponsorships
- Capital campaign

40B vs. 40R zoning

- 40B: if a development has 25% public housing, you can largely ignore local zoning
- If you adopt 40R, you may adopt 40S (and get more school funding)
- 40R might be a viable strategy in some settings in response to 40B
