

Name of Committee: **OSC Demographic Subcommittee**

Meeting Date: February 19, 2014 Time: 5:28 pm

Meeting Location: Town Hall – Room 111

Members Present: Alberto Chang (by phone); Sergio Modigliani; Lee Selwyn; Ann Connolly Tolhoff (chair)

Others Present: Linda Olson Pelhke

Topic: Discussion of data received

Alberto Chang discussed the data received from Jed Fehrenbach. Jed Fehrenbach was able to provide a list of students by school for 2008-09, 2009-10, 2010-11, 2012-13, and 2013-14 school years. Alberto Chang will review additional data and provide Subcommittee with his initial summary of the data by Sunday, February 23rd.

After some discussion, the follow-up items are as follows:

1. Linda to provide information on the ownership vs. rental breakdown
2. Alberto to provide additional information from his initial analysis of the data provided by Jed.
3. Alberto to update the data tracking the same set of kids over years to determine trend (as Lee suggested)

The Subcommittee would like to know the new housing stock from 2003 to 2013.

Topic: Response from MGT

Alberto Chang read the email from Peter Rowe responding to two of our follow-up questions. Ann will discuss with Peter Rowe to determine who in the School Department is relying on the MGT report and how it is being used and if any other data is being relied upon.

The meeting was adjourned at 6:45 p.m.

The next meeting of the Demographic Subcommittee will be held on February 26, 2014, at 4:30 pm (Room 408)
