

**MODERATOR'S COMMITTEE ON TAXI MEDALLIONS**  
**Friday November 14 @ 6:00 PM**  
**Room 111, Brookline Town Hall**  
**333 Washington Street**

**Meeting was called to order. Present were:**

Joshua Safer, Chairman  
Chad Ellis  
Jeff Kushner  
Michael Sandman (by conference call phone)

Chairman Safer opened the meeting at 6:00.

The committee reviewed the draft of the report for Town Meeting. The report was built on three separate documents – a set of objectives for the structure and performance of the taxi market in Brookline; a list of items on which the committee members agreed and disagreed; and two plans forward, depending on whether or not the Town went forward with the sale of taxi medallions.

The main focus of discussion was the list of items on which members agreed or disagreed. The list of items on which there was agreement was significantly longer than the list of items on which there was no agreement, and the members reviewed the wording of each item. At the end of the meeting, having reviewed all of the items, the committee voted unanimously to submit the report, incorporating all three sections, subject to the revisions agreed on at the meeting.

The meeting was adjourned at 7:15 PM.
