

Sustainable Packaging Checklist

Phase 2

TASK	DONE
<p>Look at ALL of your plastic and styrofoam products. Do they have the following symbol? If Yes, remove them from your store!</p> 	
<p>If your products have the following symbols then you may KEEP them.</p> 	
<p>If your product does not have ANY symbol, you must contact your supplier if your product is made from <u>High Density Polyethylene (HDPE), Polyvinyl Chloride (PVC), Low-Density Polyethylene (LDPE), Polypropylene (PP), Polystyrene (PS) or Polyethylene Terephthalate (PET)</u>. If your supplier says yes, then remove those products from your store. If your supplier says no, make sure to ask for documentation as proof.</p>	
<p>Start purchasing alternatives. You can contact the following vendors for alternative products:</p> <ul style="list-style-type: none">• Tri Mark United East• Amazon• Biomasspackaging: food trays, deli takeout containers, cups, lids.• Hubert: meat trays• Pactiv: meat tray packing• US Eco-Products: takeout containers• Eco-Products: cups, lids, takeout containers.• Dart: cups, lids, containers.• Vegware: cups, lids, containers.• Minipak Torre: meat, poultry, and fish packaging.
