

Pedestrian Advisory Committee Meeting

February 12, 2020

7 PM Brookline Town Hall

Agenda

(Note-taker: Adelaide Ketchum)

1. Public Comment Period for Issues Not on the Agenda
2. Review of Minutes of December and January meetings
3. Daylighting proposal (prohibiting parking immediately before certain crosswalks, to provide better visibility between drivers and pedestrians)
Discussion and action on revised draft memo to Transportation Board
4. Follow-up discussion on improvements being made to the BrookONline app
Reactions to reported changes. Any additional recommendations?
Discussion of multi-year BrookONline statistics
5. State of snow removal from Brookline sidewalks and curb ramps
Reference: 3 Articles in January 2020 WalkBoston newsletter
<https://walkboston.org/2020/02/03/january-february-2020-newsletter/>
6. Citizen proposal to replace traffic signals with 4-way stop signs at low-traffic intersections such as Williams & Centre, on at least a trial basis
7. Interaction with Other Groups or Town Processes, if any updates to report
 - Pedestrian-Friendly Street Lighting
 - Safe Routes to School
 - Diversity, Inclusion, & Community Relations, Best Practices, May 2019 WA29
8. Traffic accident data from Police – how can the Committee best utilize this information?
9. Review of Some Recent Pedestrian Advisory Committee Topics, and Discussion of New Areas to Focus on Going Forward
10. Committee housekeeping concerns
Next PedAC meeting: March 11, 2020
Tentative note-taking sequence: Anita in March, Frank in April, TBD for May)
11. New business
