On August 22nd, 2023, the Planning Process Study Committee voted to approve the Comprehensive Plan Request for Proposals. The Comprehensive Plan will be a two-year process, driven by community engagement and led by a consultant team. The purpose is to develop a vision for the future of our community along with implementation goals, strategies, and objectives to make that vision a reality.

The RFP document: 1) provides consultants with historical and demographic information about Brookline, 2) details guiding principles for the planning process, 3) highlights necessary community engagement elements, and 4) lays out four phases of the planning process with milestones and deliverables.

Under MGL, the Comprehensive Plan needs to be adopted by the Planning Board. The Planning Process Study Committee is seeking Planning Board approval of the RFP.
