Meeting Notice

On-Site Drop In at Robinson Playground

Saturday September 19th, 2020

10:00am – Noon

The Park and Recreation Commission Design Review Committee has held five public meetings to discuss, solicit input, and review concept plans for the renovation of Robinson Playground. Input from the public and a neighborhood survey has led over a dozen design iterations to accommodate the neighborhood's needs and desires. Safety, accessibility, inclusion, and multi-generational appeal are guiding principles of the design. We invite you to drop-in to share your ideas and input (socially distanced and with masks on) between 10:00 am – Noon at the park on Saturday, September 19, 2020.

All park renovation concepts include:

- Universal access into and throughout the park;
- An accessible perimeter loop pathway within the park;
- Inclusive playground redesign including resilient safety surfacing and water play;
- New swing zone for all ages which includes a variety of different swing types;
- Site furniture and destinations for seating and picnicking throughout the park;
- New pergola for use as an outdoor performance and gathering space;
- New plantings to provide the next generation of large shade trees;
- Shared hardcourt play space to accommodate basketball, skateboarding, 4-square & pickleball;
- Renovation of the natural turf areas and amenities within the baseball field

We would love to hear your thoughts so that we may best meet the needs of the community and all park users. For additional information, please contact Jessie Waisnor at jwaisnor@brooklinema.gov.

The Town of Brookline does not discriminate in its admission to, access to, or operations of programs or activities on the basis of disability or any other characteristic protected under applicable federal, state or local law. Individuals who are in need of auxiliary aids for effective communication in Town programs or activities may make their needs known by contacting the Town's ADA Compliance Officer at 617-730-2345. Assistive Listening Devices are available at the Public Safety Building for public use at Town of Brookline meetings and events. Those who need effective communication services should dial 711 and ask the operator to dial the Town's ADA Compliance Officer.
