

Hart St LHD sub 7/12/21

Methodology should address any left-out

- Have a site visit

Anne gives a brief summary of her work

1 Franklin Court is one of the cottages

- Anne needs technical names for timber joints

EE- Introduction could be clarified, simple timeline

DK- put in a real timeline

JW+EE- agree

JW- repetition is not always a bad thing. Too long?

EE- # of pages is no problem, bearable detail is important

JW- put stories first

DK- where will you put the architectural descriptions

EE- some of the architectural details should be in the intro. Wood species?

AL- beams etc

EE- any doc. of original eave details

AL- No info on trim

Think this neighborhood was underserved by sewer system

DK- parking on Hartst?

AL- some people rent. I bought a space. When the Town Yard was there Kandle Crescent, use to be parking garages. Now condos. Town did not protect parking through redevelopment
Parking is hard.

DK- mass transit?

AL- Brookline Hills stop.

EE- water lines hooked up in 1870.

JW- Fascinating story, unique street. Needs an edit.

* send Jean word version + Wendy + DK

Houses pre-date the main Irish immigration

TM- use appendices

Need draft 1 week before

Alex Neary - Neighbors are under pressure

Sarah Price - This is only one side of story

DK, WE, EE
