-Jill D-Update on K-2 screener, PD and how it informs classroom instruction

Jill shared information about how the district screener was selected and vetted by OTL and over 20 K-2 teacher representatives. She then shared how we are supporting staff at Lawrence to learn the screener, execute the screener and use the data to inform instruction.

-Dianne and Jon W: Update on Spelling Connections, PD and how the program informs classroom instruction

Dianne shared information about how the district screener was selected and vetted by OTL and teacher representatives. She then shared how we are supporting staff at Lawrence to learn the new word work curriculum, execute the curriculum and use the data to inform instruction. Grade 5 classroom teacher Jon W then shared specific classroom examples.

-Christine M: (Jen S on Jury Duty): Update on Grading for Equity and how the work has and continues to inform classroom instruction

Christine Moodie shared information about how the 6-8 teaching team continues to refine the new grading for equity structure for the Lawrence school middle school. She shared how they engaged in summer PD again during the summer of 2022 and how that work focused on creating more lesson and unit skills based rubrics.

-Dave and Dominique: ACCESS and MCAS updates if available-

Not enough time for his agenda item.
