

3/9/21

~~Richardson/Olmsted~~ Richardson/Olmsted LTD

DJ - Author for study report

- collaborative effort, lots of documentation already

Study Report Working group - DJ, EA

Forward Fairsted email  
to DJ

↳ liaison for authors

Catherine Truman - architect in Cambridge

HP architect - Laser scan of buildings - int. + ext

Photographer to document interior + exterior

landscape planning Gregory Lambarty's office

Worked at NYC Landmarks + HABS

Neighborhood working group -

WE - put article in Tab to find the gardens?

Lauren <sup>DIP</sup> will send GIS

JS - stick with core site. Research others later  
develop criteria for thematic district

DJ - agree - theme is artistic collaboration between  
Olmsted + Richardson, This is where architecture  
+ landscape architecture began  
will write thematic argument

WE - on neighborhood working group

DJ - volunteers @ Fairsted

→ Email NPS rep to see what is needed for approval ←

DP - ~~Olmsted~~ Richardson associated properties -  
some one in firm, he designed

LM - Key is thematic conceptual statement - test on  
individual properties. NR guidance on thematic statement

DD - NR nominations can be thematic.

Deck House should be included, it is the lot for 25 Cottage  
Developer may adjust lot lines

DD- PR restriction to the south of Fairsted

LM- it is part of a 5 acre buffer, former Gardner estate  
Parks Service - Did consult w/ Town + Historic Com.  
very strong preservation ethic

EA- Parks Service pre-empts us why include?

DJ- could not include

DD- Dr Channings clinic, demolished

Arley Levee - White property - to Monk's prop.

DD- part of prop does not want to be in district

AL- "The Nest" extant.

EE - volunteer for Neighborhood working group

DD - agrees to participate. but also working w/ Dave

JS - could join either

EE - puts him on Neighborhood  
WE, EE, JS

EA - Theme criteria comes before boundaries
