*Brookline Preservation Commission*  
**MINUTES OF THE May 5<sup>th</sup>, 2022 SUBCOMMITTEE MEETING**  
**Held Virtually using Zoom Online Software**

**Commissioners Present:**

Elton Elperin, Chair  
Peter Kleiner  
Dave Jack

**Staff:** Tina McCarthy

Applicant: John Day, Gillian Baresich

---

Mr. Elperin called the meeting to order at 1:32. Architect John Day presented plan updates. Revisions were made to the entrance and dormer proposal based on the comments at the last meeting. Proposed keeping the 3<sup>rd</sup> floor dormer addition at the client's request. It would enable the removal of an old, unattractive skylight.

Mr. Elperin asked for clarification about the entrance door. Mr. Day clarified that there is only one sidelight, the other side has a panel and perhaps a light. Mr Elperin did not object to the 3<sup>rd</sup> floor dormer. Mr. Jack supported the proposed design. Mr. Kleiner also supported the revisions.

Mr. Kleiner moved to return the application to the full Commission; Mr. Jack seconded the motion. All voted in favor.

Meeting adjourned at 1:42 PM.
