Upcoming Meetings

Following discussion, the Subcommittee decided the next public outreach meetings could be some or all of the following: July 1st at noon, July 12th at noon, and July 16th at 11 AM. There was some discussion about whether the meetings would be for all Town Meeting Members, especially for Town Meeting Members (TMMs) in Precincts 4, 5, and 6, or individual precinct meeting including more outreach to non-Town Meeting Members in each precinct.

Following further discussion, the Subcommittee agreed that a meeting for Town Meeting Members more broadly might be more appropriate in early September, but that one should be base on people's availability for TMMs in Precincts 4, 5, and 6 for one of the three dates and times discussed above. Wendy Machmuller and Wendy Friedman will reach out to those precincts and select a final date and time.

John Van Scoyoc will make sure he helps to get the work out about those meetings and also talked about the idea of periodically issuing a kind of progress report, letting people know what has been done, what's being worked on, and what we hope to get out to of the next meeting. He is willing to draft those reports.

Kara Brewton will share the attendance sheet and the Q&A from the two public forums with the Subcommittee.

Meeting adjourned at approximately 11:50 am.
