15
16 Mr. Jack called the meeting to order at 2:05 PM.
17

18 Mr. Dewitt updates the writing group on the draft progress. Ms. Levee argues for the inclusion of
19 landscape space, setting and neighborhood character. Mr. Jack reminds the group of the
20 importance of keeping the LHD issues and Demo negotiations separate. Ms. Armstrong restates
21 that Mr. Batchelor and the Commission have asked for documentation and description of the
22 settings for the buildings, which Mr. Batchelor has done in his draft. Ms. Levee asks for
23 description and protection of driveways as forecourts. There is consensus to proceed with the
24 existing draft.

25 Mr. Dewitt talks about logistics of entering the changes and relaying them to staff for submission
26 to MHC.
