

I Catherine Campbell own a two family home next door to the building in question a four story building will block the sun light from coming in to my house. which causes me to have lights on 24-7. "Costly"

Noise from cars.

Fumes from cars.

Noise from children.

Noise from air conditioner. Unit from air conditioner very noisy.

Odor from cooking and music from open windows also noise from open windows.

Building block me off completely.

Reduce Price of house.

Extra Rats.

More garbage "open Bens"

I do not approve of this project. I am asking all town member meetings to say "no" to this project.

It is very important this project does not go forward.

you say its affordable that means people with children and dogs can rent.

Catherine Campbell

The noise of Jack Hammers also Back Hoes and dust and extreme noise coming into my house. This is not in my best interest Say No to this Project.
