RE: 370-384 Harvard Street

To Whom it May Concern:

I am writing to express my strong support for the residential development proposed by JCHE. JCHE has a reputation for providing quality housing for low and moderate income elders. Their proposal to create 62 affordable apartment homes in a six story building is responsive to neighborhood design concerns. Further, it is ideally located proximate to shopping, services and transportation. If approved, this development will provide much needed housing. I strongly encourage the ZBA to approve their 40B application.

Sincerely,
