### LOCUS MAP

### DATA SOURCE

Brookline Neighborhood Boundary:  
On-screen digitized from 1994  
Brookline Assessor's Neighborhood Map.  
Boundary lines that follow the streets  
were derived from Boston Edison Co.'s  
street center line coverage. Boundary  
lines that follow the property lines  
were estimated.

Boston Edison Company (BECO.) Data:

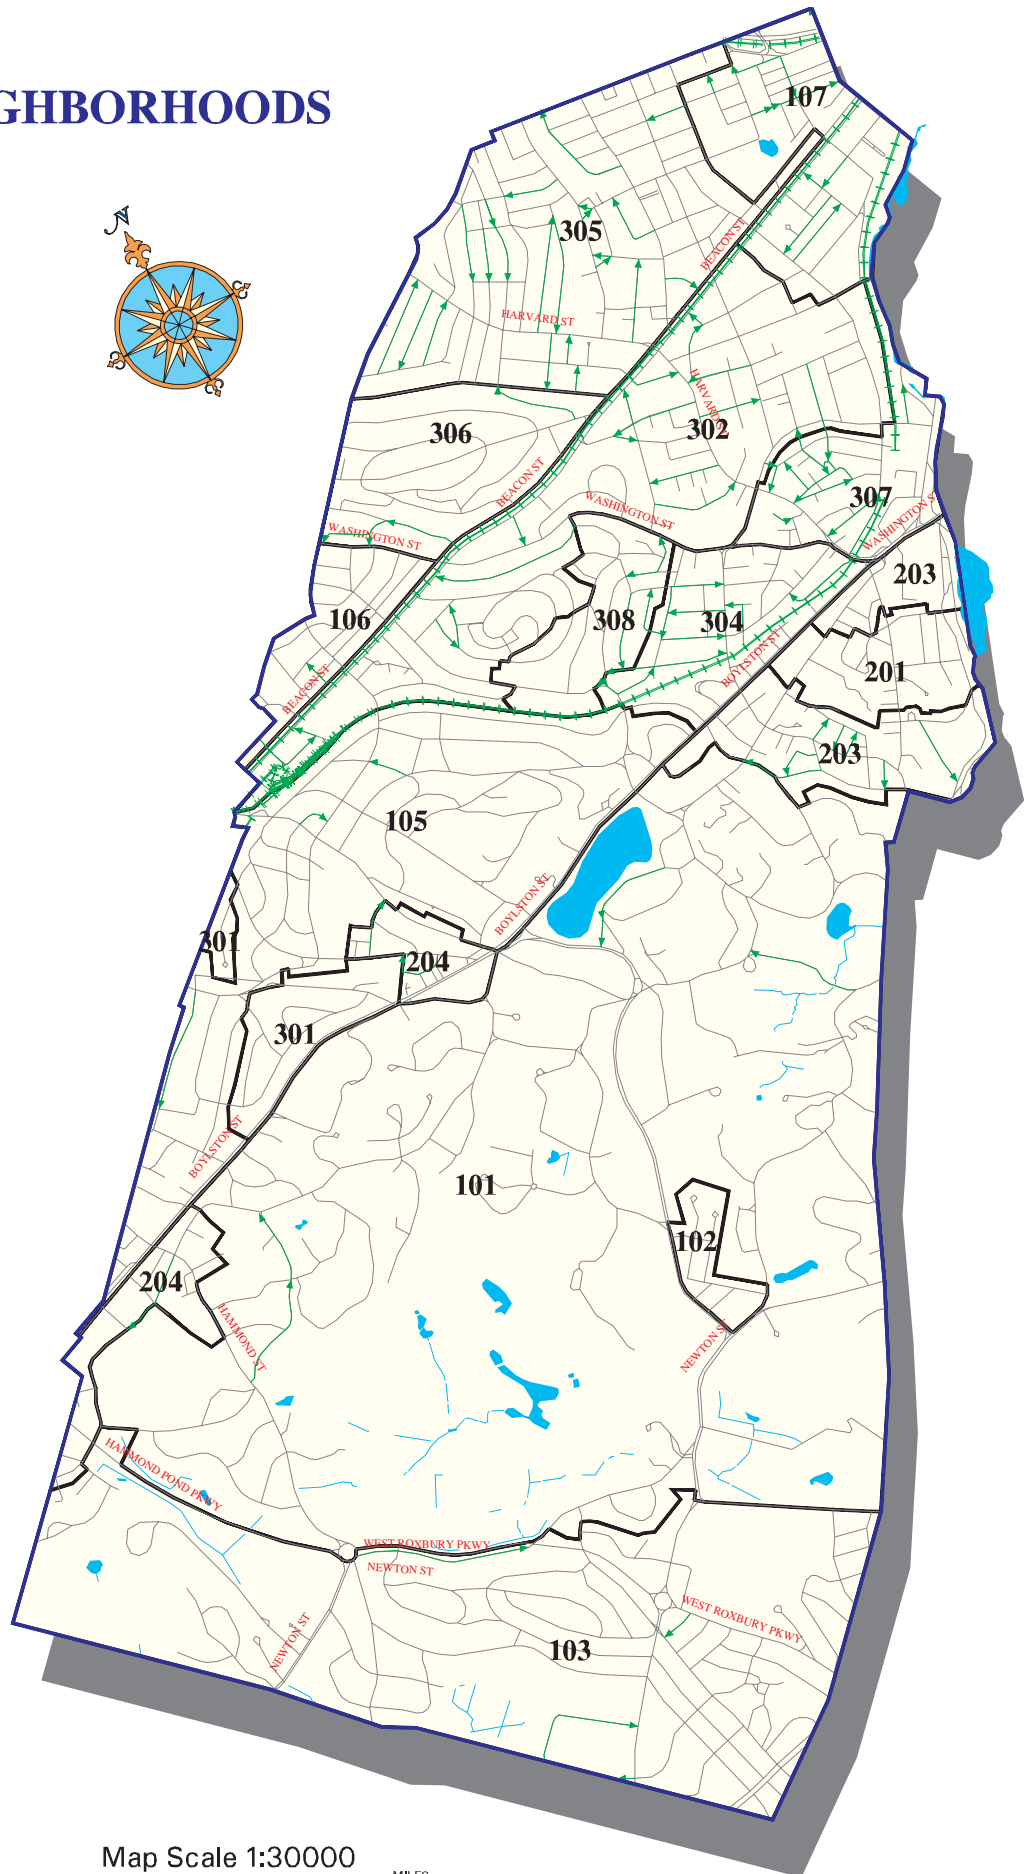

STRTEGE: Street Edge coverage.  
Polygons which represent the visible  
edge of pavement or curbline.

BKLBND: Brookline Town Boundary.

RLRD: Rail Road coverage.  
Arcs which represent rail roads.

BRDG: Bridge coverage  
Arcs which represent bridges.

LANDBASE: Coverage contains arcs  
and points which represent the  
following features:  
streams, lakes, rivers, shorelines,  
bridges, tunnels, railroads, landmarks,  
survey monuments, geodetic controls,  
and island shores.

Map Scale 1:30000
