**Subject:** Proposed building at 455 Harvard St.

Dear Ms. Steinfeld--my wife and I have been at 102 Thorndike St. for nearly 30 years. We live just four doors from the Indian restaurant on Harvard St. Over the years our street has changed to become more pleasant and workable, though it is one-way a speedway for too many people.

We wish to comment on the proposed apartment building. In short, it is ugly, it is too large for the lot, and badly sited. Harvard St. is too clogged with traffic now and this building will to make it worse. Two gas stations draw more traffic. We wish to oppose the design and the plan (?) over all. Please convey our opposition to the Zoning Board of Appeals.

Yours truly,  
Victoria J. Arnold
