Dear Maria,

I am also unable to attend Monday's hearing, because I am out of town. However, I agree with Ms. Fox's concerns expressed below, and I am deeply concerned about the disruptive effects of such a gargantuan development on this quiet neighborhood.

What do all these developers have against the residents of Coolidge Corner, that they so strongly desire to trash our quality of life?? I know we are not supposed to say this at a hearing, but would the developer want this monstrosity built next to his house? If so, let him build it there and leave us alone.

Thank you – Judith
