**FIRE ESCAPE AFFIDAVIT**

To the Building Commissioner,

I, \_\_\_\_\_ as the registered design professional, hereby certify that I  
(registered design professional)

Have examined and/or tested all exterior bridges, steel or wooden stairways, fire escapes and egress balconies located at:

\_\_\_\_\_  
(Project Name and Address)

and to the best of my knowledge, information and belief, the exterior bridges, steel or wooden stairways, fire escapes and egress balconies are structurally adequate and safe in accordance with provisions of 780 CMR the Massachusetts State Building Code. The egress path from each occupancy which requires the exterior bridge, steel or wooden stairway, fire escape, egress balcony for its means of egress is clear, unobstructed and adequately lighted.
