Subject: Babcock Place Project

Dear Ms. Morelli,

I am writing to you regarding the latest proposal for Babcock Place from the developer, which I have reviewed. As a resident of the neighborhood, I believe that the currently planned building is far too large. It will significantly add to the congestion and traffic of the area, as well as significantly reduce the trees and green space that we all enjoy. I know that a great many of my neighbors feel the same way.

I request that the Zoning Board of Appeals insist on a far smaller building for this location to not increase already heavy traffic, and to preserve the character and tranquility that we in the neighborhood value dearly. I may not be able to attend the ZBA meeting on November 27th, so I am writing to you in advance to let you know of my strenuous objection to the current plan.

Thank you for your attention.

Sincerely,

Alex Silver
