Subject: Babcock St

Once again I want to share my concerns with the proposed building at Babcock Place.

Whenever I have seen plans it is never in a realistic relationship to adjacent homes. I live at 12 Manchester Rd and the proposed structure is overwhelming. When I look out my back door the building will be a wall. It does not fit in this neighborhood. To think that trees will be lost the congestion noise is very upsetting. What about parking and increased traffic on Babcock St.

I have not seen a plan that would fit this neighborhood.
