Subject: Concern about Babcock Place

Dear Ms. Morelli,

I am a resident in the Babcock Place neighborhood. I am very concerned about the proposed plan for development. The building is too large -- and not in keeping with the size of other buildings in the neighborhood. I do not believe that the developer has adequately addressed the neighborhood's concerns.

Specifically, I am concerned about the impact on traffic (and the need for a service drive), a change in the feel of the neighborhood from introducing a building that is higher than others in the area, and the affect on the natural environment as trees are removed to make way for the construction.

I hope that the board will ensure that the development plans are modified to address the neighborhood's concerns.

Thank you.

Sincerely,

Natalie Henrich 32 Abbottsford Road
