Subject: tonight's ZBA meeting

Dear MS Morelli,

I had planned to be at tonight's meeting, but unfortunately, am not able to. I would like to be noted as a neighbor who opposes Mr. Slater's proposal of 40B for 134-138 Babcock St. I have been following the plans and revisions and want to be noted as one who opposes the building in its current revision. It is far too large and dense for the neighborhood. Many years ago, the North Brookline Neighborhood Association was in favor of lower density to retain the quality of life and neighborhood integrity. This flies in the face of it all.

In addition, I am concerned about the removal of the many trees.

Thank you

Rhoda Goodwin
