Subject: 134 Babcock Street

Dear Ms. Morelli,

As a neighbor to this 40B project, I remain very concerned about the building plans. I want to thank the ZBA for listening to our concerns and taking the time to really explore this project. I am asking the ZBA to uphold their request that the 5th story be fully removed from this project. A building no more than 4 stories is imperative to preserve the trees and to allow some sun into the park across the street, which we use often.

Thank you,

Marla Zucker, Ph.D.
