Subject: Continued concerns re: Babcock St. 40B

Dear Ms. Morelli and the ZBA,

I am writing to express my continued concern over the Babcock Street 40B project. While I want affordable housing in my community, this project still does not integrate well into the Babcock Street neighborhood. Please insist on a scaled-down project that better mitigates my neighbors' many concerns regarding traffic, safety and parking. These concerns include removing the fifth floor and increasing setbacks.

This project-- and Brookline-- can do better!

Thank you for your consideration,

Hadassah Margolis
