Maria:

We write to express our continued disappointment with the current plans for Babcock Place. They are grossly out of keeping with the neighborhood and the size of the lot, and the developer has done almost nothing to address the serious concerns of neighbors like ourselves. Please require increased setbacks all around the perimeter, remove the looming fifth floor, and require a service drive in order to avoid creating a traffic and pedestrian nightmare on Babcock street.

There is a great deal of frustration with the glacial pace of changes to this horrible plan. We remain hopeful that the developer will get a strong message from the ZBA that more must be done if this development is to proceed.

Sincerely,

Alisha & Tobias Nanda
33 Manchester Road
