Re: Babcock Place (134 Babcock Street) - Comprehensive Permit

Town staff reviewed the most recent waiver list entitled “Babcock Place 134 Babcock Street PROPOSED WAIVER LIST M-1.5 and T-5 Zoning Districts March 6, 2018” received via email on March 6, 2018. In addition staff reviewed a set of stamped plans consisting of Civil, Landscaping and Architectural drawings; three stamped civil drawings dated January 12, 2018 and February 14, 2018 (C-100, C-200, C-300), five stamped landscaping plans dated February 14, 2018 (L-101, L-102, L-103, L-201, L-202 and stamped Architectural Plans (14 pages) prepared by CUBE3 dated February 14, 2018.

Waivers were reviewed for consistency and proper application.

“Req’d to Build” – This means the waiver is required to construct the project as proposed

“w/excp” – This means with Exceptions (Granting waivers to “Exceptions” is not recommended.)

In regard to:

“In addition, the Applicant seeks such additional relief as may be necessary to conform the relief sought to the plans filed with this Application, as amended from time to time. Included within the relief sought are all ancillary, subsidiary, usual, customary or necessary permits in lieu of which the Board of Appeals may grant a Comprehensive Permit to the extent necessary to conform the relief granted to the plans submitted herewith, as amended.”

Granting a blanket waiver for future amendments, unknown at this time, to the Comprehensive Permit is not advised. The State has regulations under 760 CMR 56 in the event an owner wishes to amend the Comprehensive Permit after it is issued.
