Dear Mr. Wishinky:

Please be advised that Massachusetts Housing Partnership ("MHP") has received a request for a determination of Project Eligibility from 445 Harvard Street, LLC, Shimon Cohen, Manager, for the subject Property. As currently proposed, the development will consist of twenty five (25) residential rental units, of which five (5) units would be affordable to households at fifty percent (50%) of median income.

445 Harvard, LLC has requested this determination of Project Eligibility as it relates to MHP's Permanent Rental Financing Program, which provides for up to a 20-year fixed-rate first mortgage loan, and requires the owner of the development to execute an Affordable Housing Restriction, filed with the Norfolk Registry of Deeds, which would remain in effect for a minimum of 30 years. The affordability program proposed by the applicant would meet MHP's minimum affordability requirements. Other funders, or the Town of Brookline may require that the affordability requirements remain in effect after the initial 30-year term.

We would appreciate any comments that you may have with regard to this proposed development that would assist us as we consider the applicant's request. The comprehensive permit regulations require subsidizing agencies such as MHP to make the findings as set forth on the attachment to this letter in order to make a determination of Project Eligibility; any comments you can provide relevant to these matters would be especially helpful. Please direct any comments that you have, if possible within the next thirty (30) days, to my attention at the address listed above.

Furthermore, I would like to remind you that in the event an application is made to the Zoning Board of Appeals (ZBA) for a comprehensive permit, technical assistance is available to the ZBA to review the permit application. MHP's Chapter 40B Technical Assistance Program administers grants to municipalities for up to \$10,000 to engage qualified third-party consultants to work with the ZBA in reviewing the Chapter 40B proposal. For more information

about MHP's technical assistance grant visit MHP's website, www.mhp.net or contact Philip Crean at 857-317-8517, at PCrean@mhp.net.

Thank you.

Sincerely,

Katy Lacy
Senior Project Manager
