Subject: Puddingstone Project at Chestnut Hill

Dear Zoning board,

I am unable to attend the meeting on March 27 regarding the 40B Puddingstone at Chestnut Hill. I would just like to say this project is too large! I feel that Chestnut Hill Realty is exploiting the 40B to build a project that is extremely lucrative for them. This project would never pass under regular zoning laws because it overdevelops Hancock Village.

Please just say no!

Thank you for your consideration,

Patsy Mittleman
