I think this plan would be a very big mistake and a bad building for our town and neighborhood.

A proper traffic study during the week,

when Temple Sinae students are arriving and leaving, when Trader Joe's is the busiest would be wise, Adding 99 new cars to the area (and 150 additional people) would make for heavy gridlock and very serious safety issues plus ruin the historical place and look of our beloved Coolidge Corner.

Please do not let this happen.
