Subject: 1299 Beacon St Development

Dear Ms. Morelli

I am writing to you to express my opposition to the current plan for the proposed development at 1299 Beacon Street. The planned development will add significant stress and safety issues to the already heavy traffic problems on Longwood and Sewall Avenues. I have attached two recent pictures to give you an idea of the congestion that occurs daily. I am also opposed to this plan because there is no space allocated for deliveries or garbage disposal. The existing sidewalk is already very limited and if you approve this proposal, it will be impassable to pedestrians. It will forever change walkability and safety around the area which is frequented not only by nearby residents, but many others and hundreds of children (including mine) that attend after-school activities at Temple Sinai.

Please take into consideration our concerns and help the community welcome a development that will highlight Coolidge Corner not destroy it.

Thank you,

Chryssa Georgalis
11 Longwood Avenue, PH 2
