

## **AFFORDABLE RENTAL HOUSING UNITS IN BROOKLINE**

*Updated as of May 2019*

Eligibility for affordable units is determined within the context of the Area Median Income (AMI) established annually by the US Department of Housing and Urban Development. The current income limits based on AMI are on the last page of this document.

### Brookline Housing Authority

The Brookline Housing Authority (BHA) owns and operates over 920 units of housing throughout Brookline. Housing units range in size from studios to 4-bedrooms and serve a range of populations including families, the elderly, disabled, and special needs populations, all of whom must earn less than 80% of AMI. In addition, the BHA administers the Section 8 voucher program, which provides subsidies for income-eligible households to rent units in the private market. For more information on the Brookline Housing Authority's programs and/or to apply for housing call: **617-277-1885** or go to their web site: <https://www.brooklinehousing.org/>

### Privately Owned Affordable Rental Units:

In addition to units owned and operated by the Brookline Housing Authority, a number of housing units serving low and moderate-income families are owned and operated by private investors and nonprofit organizations. Most of these units are currently occupied, but it is a good idea to get on the waiting list, if possible, so that when a unit becomes available you may have a chance to rent it. Several of the developments have a preference for Section 8 voucher holders (designated by the \*)

***Interested parties should contact directly the property managers of the affordable units below. The Town does not keep record on vacancies of these units.***
