Re: 1299 Beacon Street Proposal

I support 40B housing for this site. However, the size of the building is still too large for the site and a further reduction is still needed. As a retired physician who no longer drives (age 85), I walk everywhere in Coolidge Corner – to Bruegger’s Bagels and Pho Lemongrass as well as the Senior Center, Trader Joe’s, etc.

Because of the number and amount of construction vehicles, the impact to Sewall and Charles is going to raise safety issues, increase my fear of falling, and impact my quality of life

Please scale back the size of the building and parking.
