- Redesign for new playground to include play equipment for all ages and resilient safety surfacing
- Upgrade of the water play
- Upgrade the natural athletic field and support infrastructure
- Assess the grading and drainage to direct runoff appropriately
- Assess hardcourt play areas and uses
- Consideration of site furniture and destinations for seating and picnicking throughout the park
- Assessment of plant health/develop planting plan

# Project Timeline

# Comments to Date

- Universal access into and within the park
- Separation of 2-5 year and 5-12 year play spaces
- Keeping as much open space as possible desired
- Existing trees and character of the park is important to maintain
- Support for the multi use park including the green dog program
- Would like to preserve the sledding hill by the maintenance entry
- A clean and open space that are inviting for families to gather and share
- A multipurpose sustainable open space that promotes inclusion and connection to the outdoors

Q9 We would like to create a park and playground that reflect and celebrate the entire playground. In the case of Margaret E. Robinson Playground, what would that look like to you?

- A safe space for everyone!
- Dogs, kids and adults- enjoying their communal yard together.
- A place for all ages to have fun.
- Play equipment for older children, shaded places to sit and picnic.
- Plenty of open space but area for young children as well.
- A place for all ages to have fun!
- It would have free play areas where kids can create their own fun.
- Child friendly, safe, creative and beautiful.
- A multipurpose open space that promotes inclusion and connection to the outdoors.
- An urban oasis.
- A clean and open space that are inviting for families to gather and share.
