Transportation Demand Management Plan

Proposed Development
500 Harvard Street
Brookline, MA 02446

Updated: May 2020

This plan for a Transportation Demand Management program is submitted in compliance with the Town of Brookline requirement that the applicant shall submit a Transportation Demand Management Plan, subject to the review and approval of the Director of Transportation and Engineering, with a copy to the Planning and Building Departments.

500 Harvard St., LLC proposed to construct a 30-unit mixed use building located at 500 Harvard Street Brookline, Massachusetts. The project site is readily accessible to mass transportation, pedestrian and bicycle routes.

To support the Town of Brookline's efforts to reduce dependency on automobiles, especially single-use occupancy vehicles, and reduce congestion in the Harvard Street corridor, the TDM program is integrated to encourage the use of mass transit and non-vehicular means of access. This program is anticipated to be particularly effective for this given location given the proximity to transit stops, bus routes and existing pedestrian and bicycle routes.

PUBLIC TRANSPORTATION

BUS

500 Harvard Street is easily accessible via public transportation. The MBTA bus stop for Bus 66 is located just steps away. This bus line provides easy access to Cambridge (Harvard Sq.), Allston, Longwood Medical and Dudley Square.

See MBTA Route 66 Harvard Square – Dudley Station Map & Schedule attached.

TRAINS

The MBTA Green Line, B Train Harvard & Commonwealth Ave. Station, is just 100' away (3-5-minute walk) Conveniently, the MBTA Green Line, C Train Harvard & Beacon St. Station, is .6 miles away (10-15-minute walk). Employees and customers of the retail space will be encouraged to use public transportation.

See MBTA map and schedule attached.

BICYCLE ACCOMMODATIONS

500 Harvard Street provides bicycle parking for a total of 30 bicycles: one bicycle parking space per residential unit.

In addition to on-site bicycle parking spaces, three Blue Bike stations are located within walking distance of 500 Harvard Street. Please see the attached map.

Please refer to the attached site plan for bicycle rack locations and Blue Bike stations nearby.

ON-SITE PARKING

Six total parking spaces will be available to residents. Due to the fact that limited parking spaces will be available on site, the majority of prospective residents will not have vehicles.

The developer has worked with consultants from the company City Lift Systems to design a semi-automated stacker system in the garage. These stackers are quiet (between 30 – 50 dB), fast (wait time is estimated at 30–40 seconds) and easy to use. This system has been installed in several new developments in Brookline, including the developers previous project at 455 Harvard Street. There have been no issues thus far.

Please see the City Lift parking system photo attached.

CURB CUTS/ PEDESTRIANS

The current property has a total of two (2) large curb cuts, one on Harvard Street and one on Kenwood Street. The proposed development closes one curb cut (on Harvard Street) and maintains one on Kenwood. Removing the curb cut on Harvard Street is an improvement for several reasons, including:

1. Safer for pedestrians walking on Harvard Street as cars will not be crossing the sidewalk to enter/exit the parking lot
2. Safer for bicycles as cars will not be crossing the bike lane on Harvard Street, and
3. Adding one new metered parking space in place of current curb cut with designated loading zone times

TRAFFIC PATTERN

The current condition allows for to vehicles enter and exit the property from the curb cut on Harvard Street. This is not ideal as cars have to cross pedestrians walking on Harvard Street, cross a bicycle lane, and avoid vehicles exiting from the parking lot. See: “Vehicles entering from Harvard Street” attached. In addition, vehicles exiting the property also have to cross pedestrians on Harvard Street, a bicycle lane and traffic on Harvard Street. See: “Vehicles exiting to Harvard Street” attached.

For these reasons, removing the curb cut on Harvard Street is a significant improvement to the traffic pattern.

DELIVERIES / RIDESHARES

Both the residential lobby and retail entrance will be located on Harvard Street. Therefore, all deliveries will be made on Harvard Street. FedEx, Uber, USPS, etc. will not need to enter Kenwood Street as all commercial activity will take place on Harvard Street. These commercial activities will approach the building from the north on Harvard Street and continue south along Harvard Street without any need to use Kenwood Street.

A new metered parking space will be created in place of the existing curb cut location. Finally, the development team is suggesting these two parking spaces become “Loading Zone Only” for neighborhood use (non-exclusive to 500 Harvard Street) from 7:00 am to 10:00 am daily.

See: Delivery/ Pick Up and Parking Space plans attached.

INFORMATION POSTING

Management will provide all new residents information pertaining to public transportation options in the area.

In summary, 500 Harvard St., LLC is committed to a comprehensive TDM plan that will help to minimize the impact of the project promoting alternative and healthy

PUBLIC TRANSPORTATION OPTIONS

Senior/TAP Monthly \$30.00/month for unlimited travel on Local Bus and Rapid Transit				

VALID PASSES: LinkPass (\$84.50/mo.); Student /Youth LinkPass* (\$30/mo.); Senior/TAP LinkPass* (\$30/mo.); and express bus, commuter rail, and boat passes.

FREE FARES: Children 11 and under ride free when accompanied by an adult; Blind Access CharlieCard holders ride free: if using a guide, the guide rides free

* Requires Student CharlieCard or Youth CharlieCard. Student CharlieCards are available to students through participating middle schools and high schools. Youth CharlieCards are available through community partners in the Boston metro area. Visit www.mbta.com/youthpass for details.

** Requires Senior/TAP CharlieCard, available to Medicare cardholders, seniors 65+, and persons with disabilities.

*** For Silver Line SL4 or SL5 pay \$2.75. Also see "transfers."

TRANSFERS
If paying with a CharlieTicket or CharlieCard, discounted transfers that are available are automatic — just use the same ticket or card throughout your trip. If paying with cash onboard a vehicle, free transfers are only allowed between rapid transit lines and inside paid platform areas at gated stations.

SCHEDULES
Schedules are available at the following stations: Park Street, Airport, Malden, Harvard, Haymarket (Green Line Level), Back Bay and Downtown Crossing (Orange Line Level) or see station personnel. Schedules also available at the Transportation Building (10 Park Plaza), 45 High St, and online at mbta.com.

For real-time subway and bus tracking, download the Transit app on any smartphone.

Green Line Notes:
1 - The first two C train AM northbound trips run through to Lechmere Station on weekdays.
2 - The first B and second C train AM northbound trips run through to Lechmere Station on weekends.
3 - On weekdays the 12:27 AM trip (weekends the 12:32 AM trip) from Heath St is the last connecting train to other lines downtown. The 12:37AM and 12:47AM trips (weekends the 12:47AM trip) from Heath St. runs in service to Lechmere with no guaranteed connections.
4 - Due to two major infrastructure projects on the D Line, shuttles will replace trolley service on some weeknights and weekends through 2020. Shuttle schedules are subject to change. Shuttles may add up to 15 minutes to your travel time. Please visit mbta.com to plan your trip on the D Line, or sign up for T-Alerts for shuttle notices.
5 - Early morning service from Lechmere to Riverside departs Lechmere at 5:00 AM.
f - After exiting Ted Williams Tunnel bus will only service World Trade Center and South Station stops.
w - Last trips wait at some stations, primarily in the Downtown area, for connecting service. Departure times are approximate.

Spring & Summer 2020 Holidays
