Hello,

Please forward this message to the Zoning Board of Appeals. Thank you!

I am writing to express support for the proposed housing development at 500 Harvard St. The Harvard Street Corridor is one of the most vibrant parts of Brookline, and given how pedestrian-friendly and transit-accessible it is, it is an excellent location for new housing to maximize its potential. I hope the Board allows this project to move forward, as it would be a benefit to the Town.

Thank you,
Timothy MacDonald
