Dear members of the Zoning Board of Appeals,

I am a Town of Brookline resident, I am writing to express my support for the proposal for 30 units of housing at 500 Harvard St. It provides 6 affordable housing units, and it is a perfect place to put more housing as it is easily accessible to the T. It is important that Brookline begin to make progress on its Housing Production plan.

I urge the Zoning Board of Appeals approve this project.

Sincerely,

Jane M. Daniels
