To: Maria Morelli <mmorelli@brooklinema.gov>

Hi,

My name is eleni elly kalfus and i live at 263 walnut street, brookline 02445.

I want to express support for the proposal to build housing at 500 Harvard Street, which will be heard in Wednesday's meeting. In particular I support affordable housing units being built so that people of all incomes can move to Brookline and establish homes here.

Thank you,  
eleni kalfus
