

1925 aerial fisher hill reservoir, brookline

Take-away Points from the October Meeting:

- Heard pros and cons about both schemes, some favoring 'historic frame' of reservoir (Kite Hill), others favoring openness (Reservoir Hill)
- Heard pros and cons about both parking locations
- Water element - need more information
- Accommodates 4-season interest & habitat
- Tower - interesting but concerns remain especially for abutters
- Traffic + parking impacts
- Planting - screening of neighbors
- Circulation - accessibility & proximity
- On the right track!

 5" R x 17" T

Notes
 .comfortable for sitting
 .accommodates nice walking pace

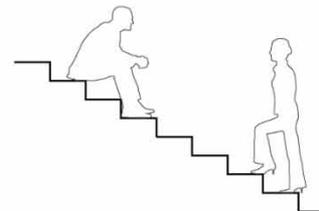

Memorial Church - Harvard Yard
 6" R x 15" T

Notes
 .comfortable height for sitting, but feet
 closer to body
 .comfortable for traversing

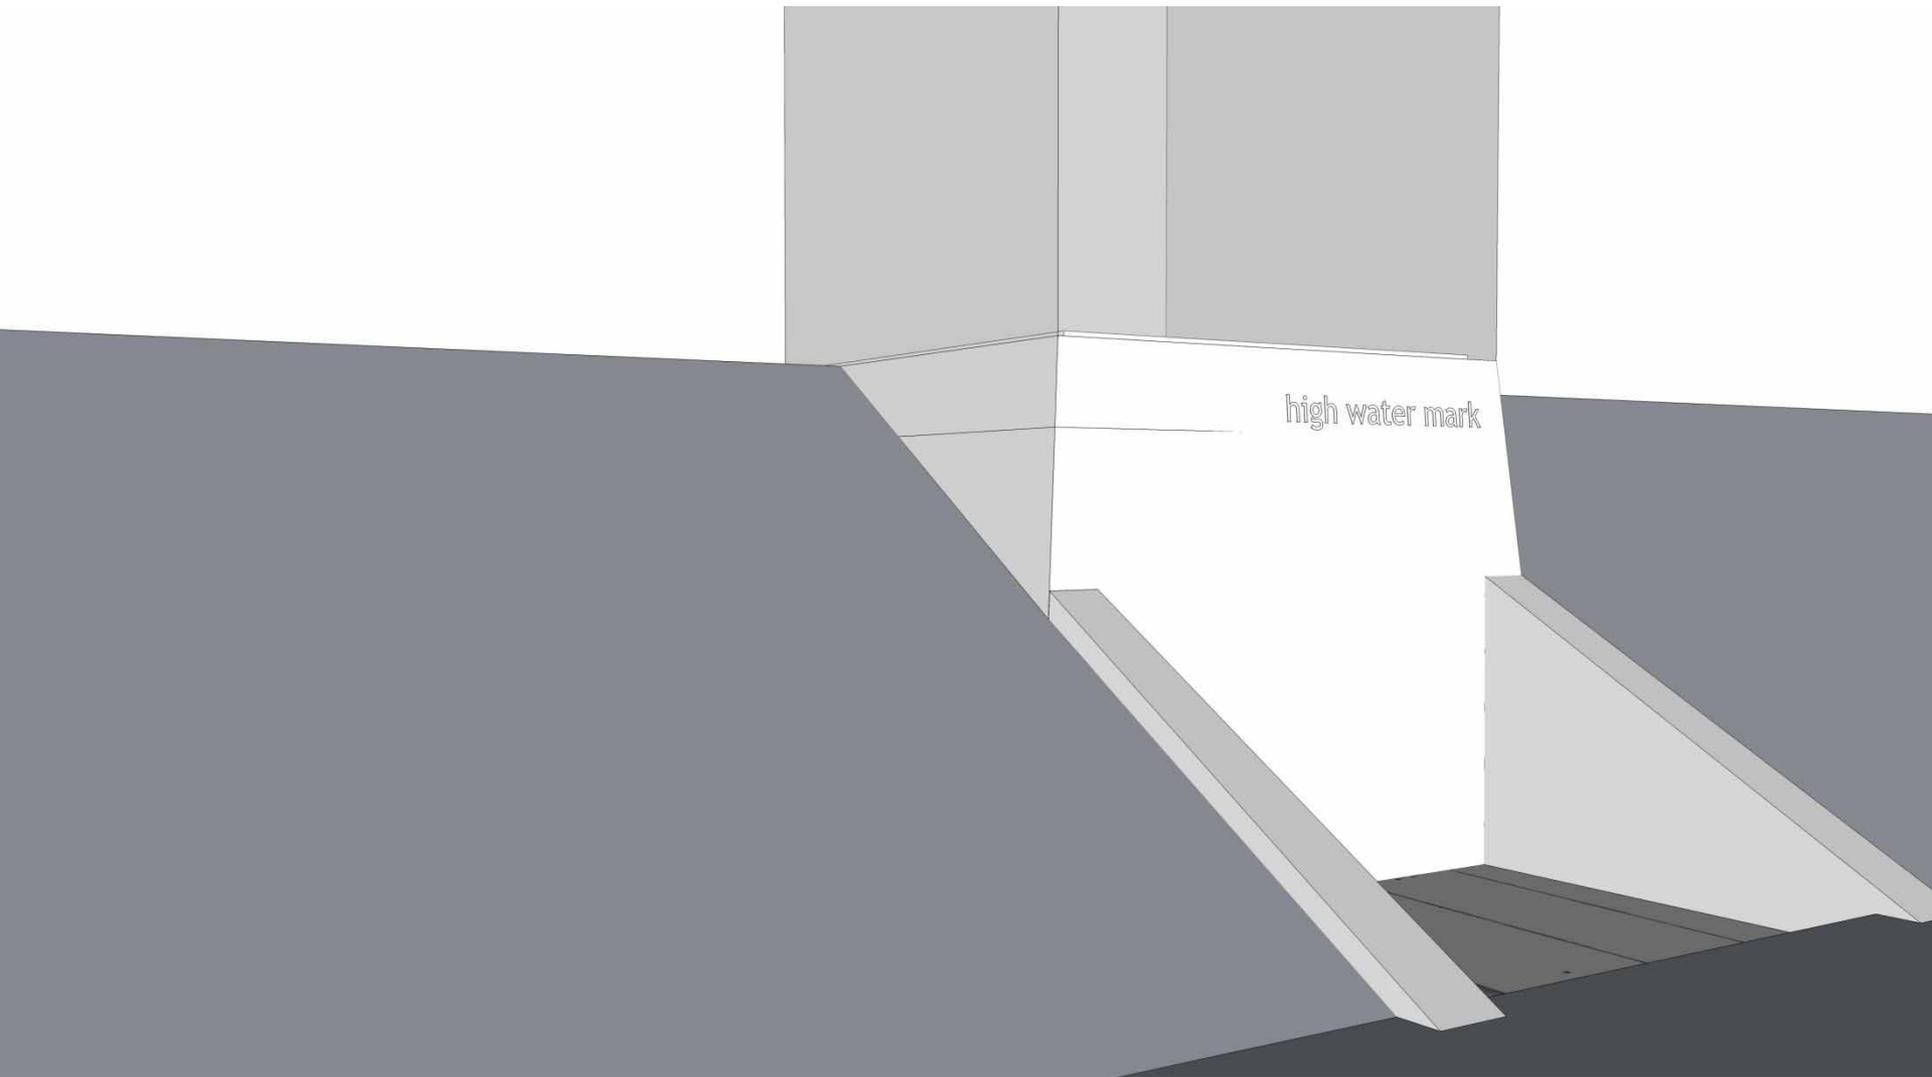

The Pit - Harvard Square
 6" R x 12" T

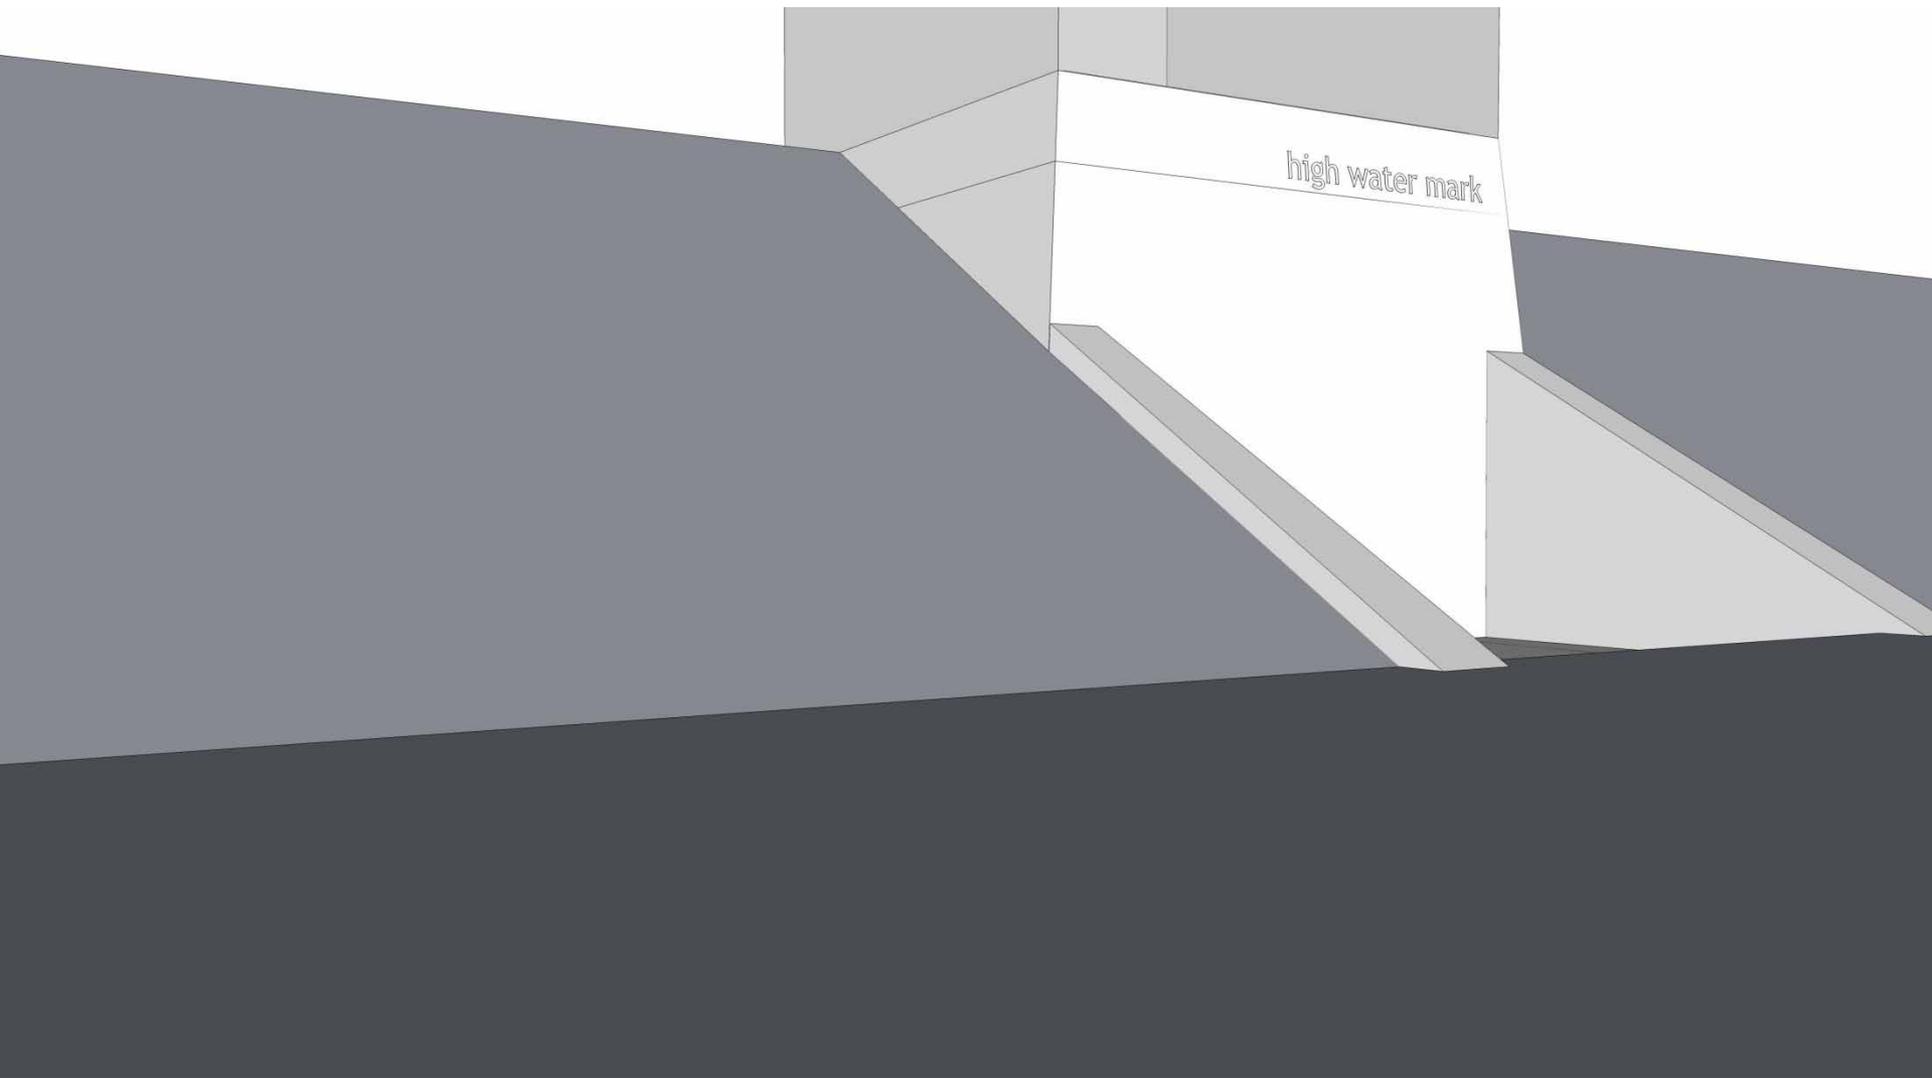

Notes
 .too high to have feet 2 steps down

University Hall Steps - Harvard Yard
 8" R x 15" T

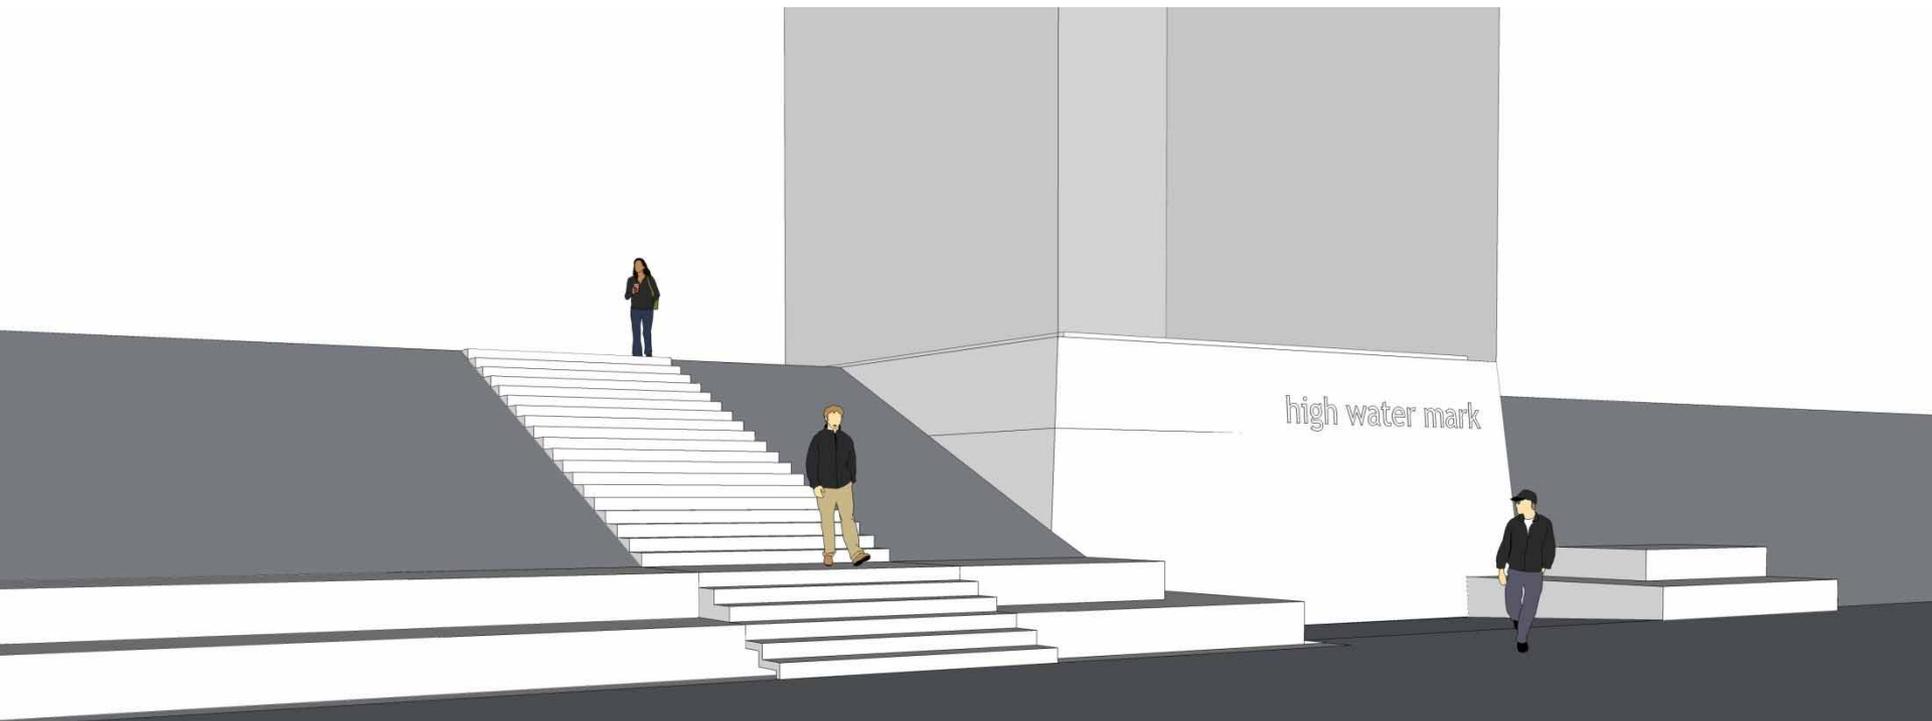

high water mark
