

1925 aerial fisher hill reservoir, brookline

Take-away Points from the June Meeting:

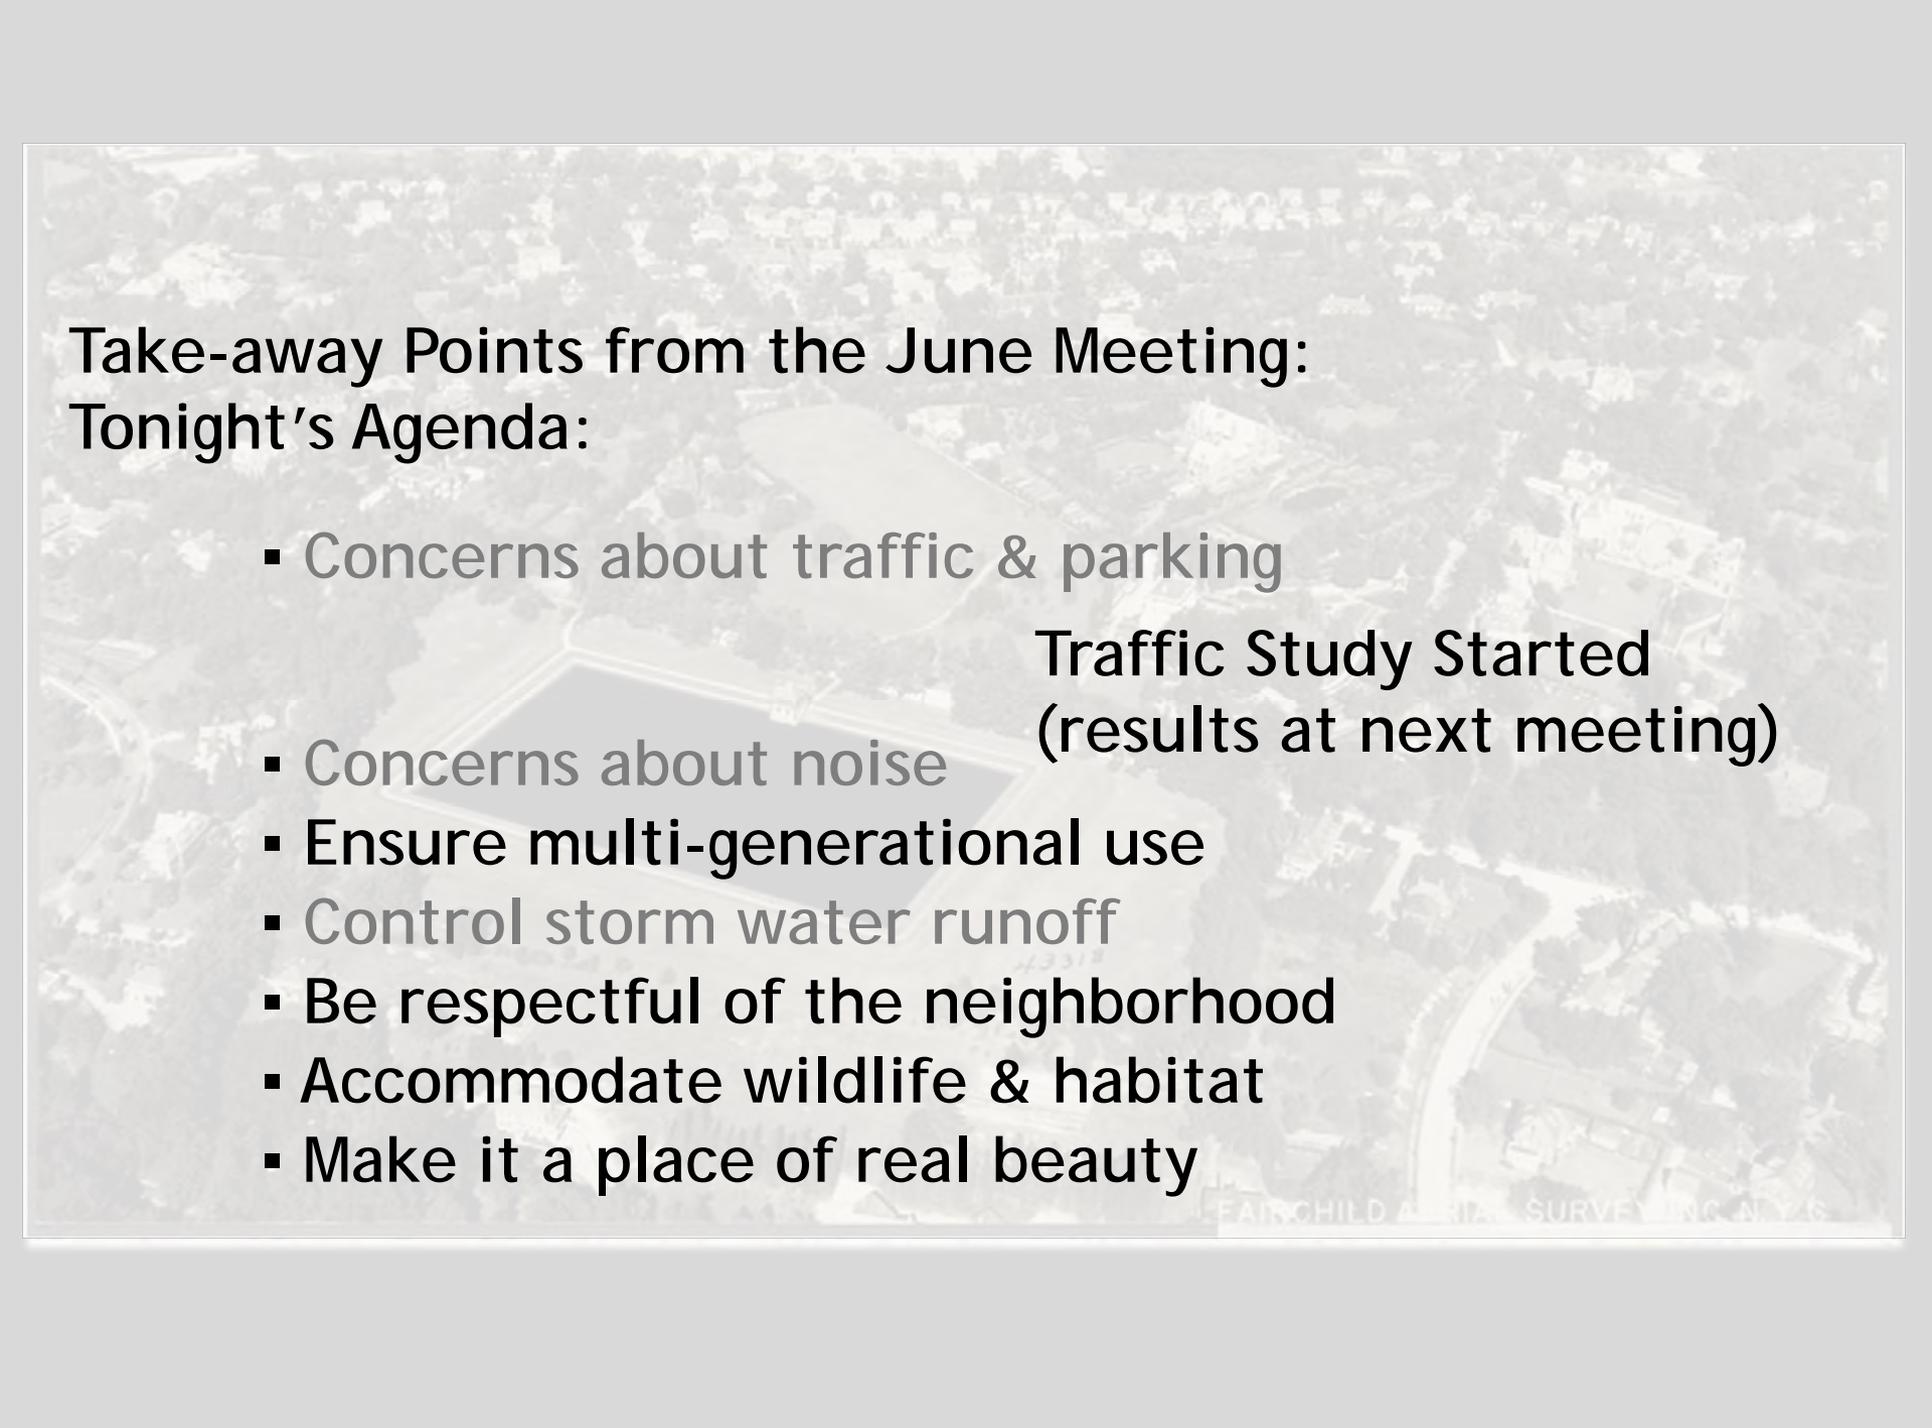

43312

An aerial photograph of a residential neighborhood, showing a road, trees, and houses. The image is faded and serves as a background for the text.

Take-away Points from the June Meeting:

- Concerns about traffic & parking
- Concerns about noise
- Ensure multi-generational use
- Control storm water runoff
- Be respectful of the neighborhood
- Accommodate wildlife & habitat
- Make it a place of real beauty

**Take-away Points from the June Meeting:
Tonight's Agenda:**

- Concerns about traffic & parking

**Traffic Study Started
(results at next meeting)**

- Concerns about noise
- **Ensure multi-generational use**
- Control storm water runoff
- Be respectful of the neighborhood
- Accommodate wildlife & habitat
- Make it a place of real beauty

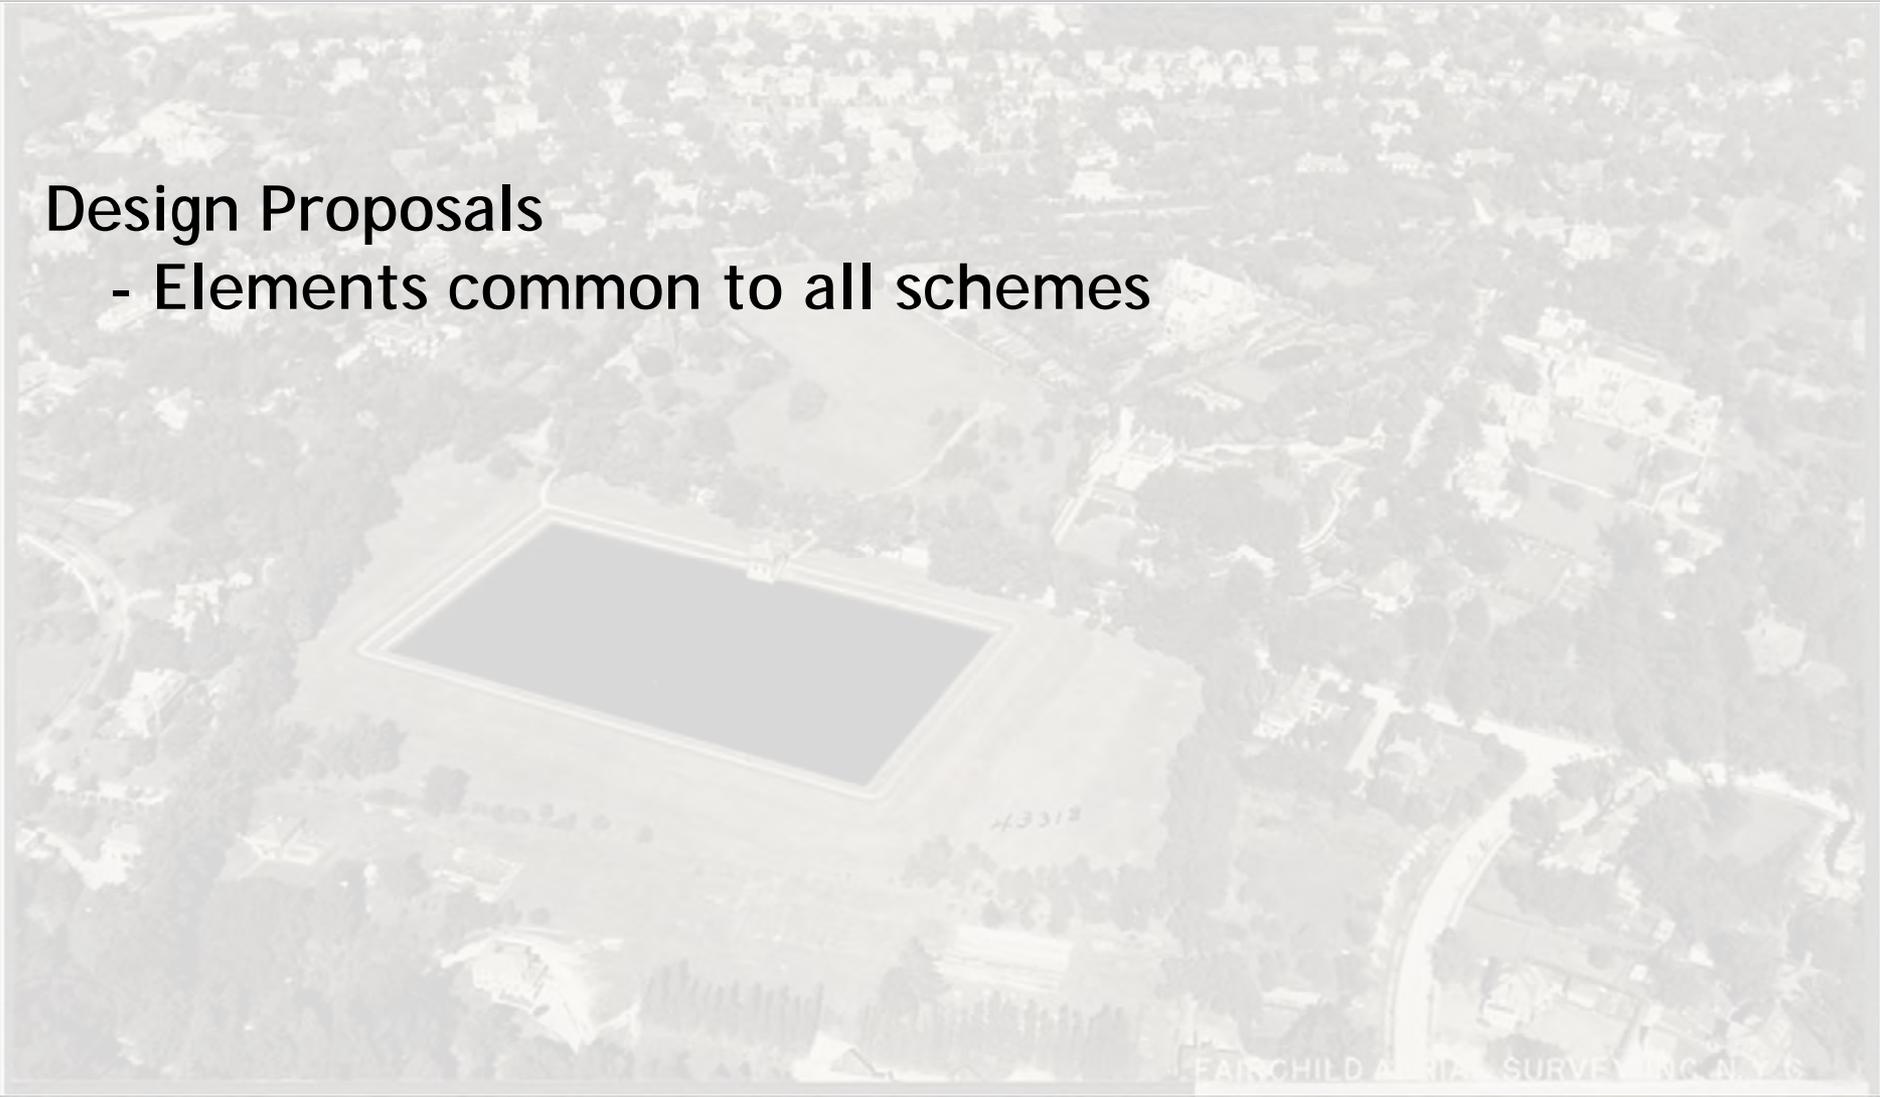

Take-away Points from the June Meeting:

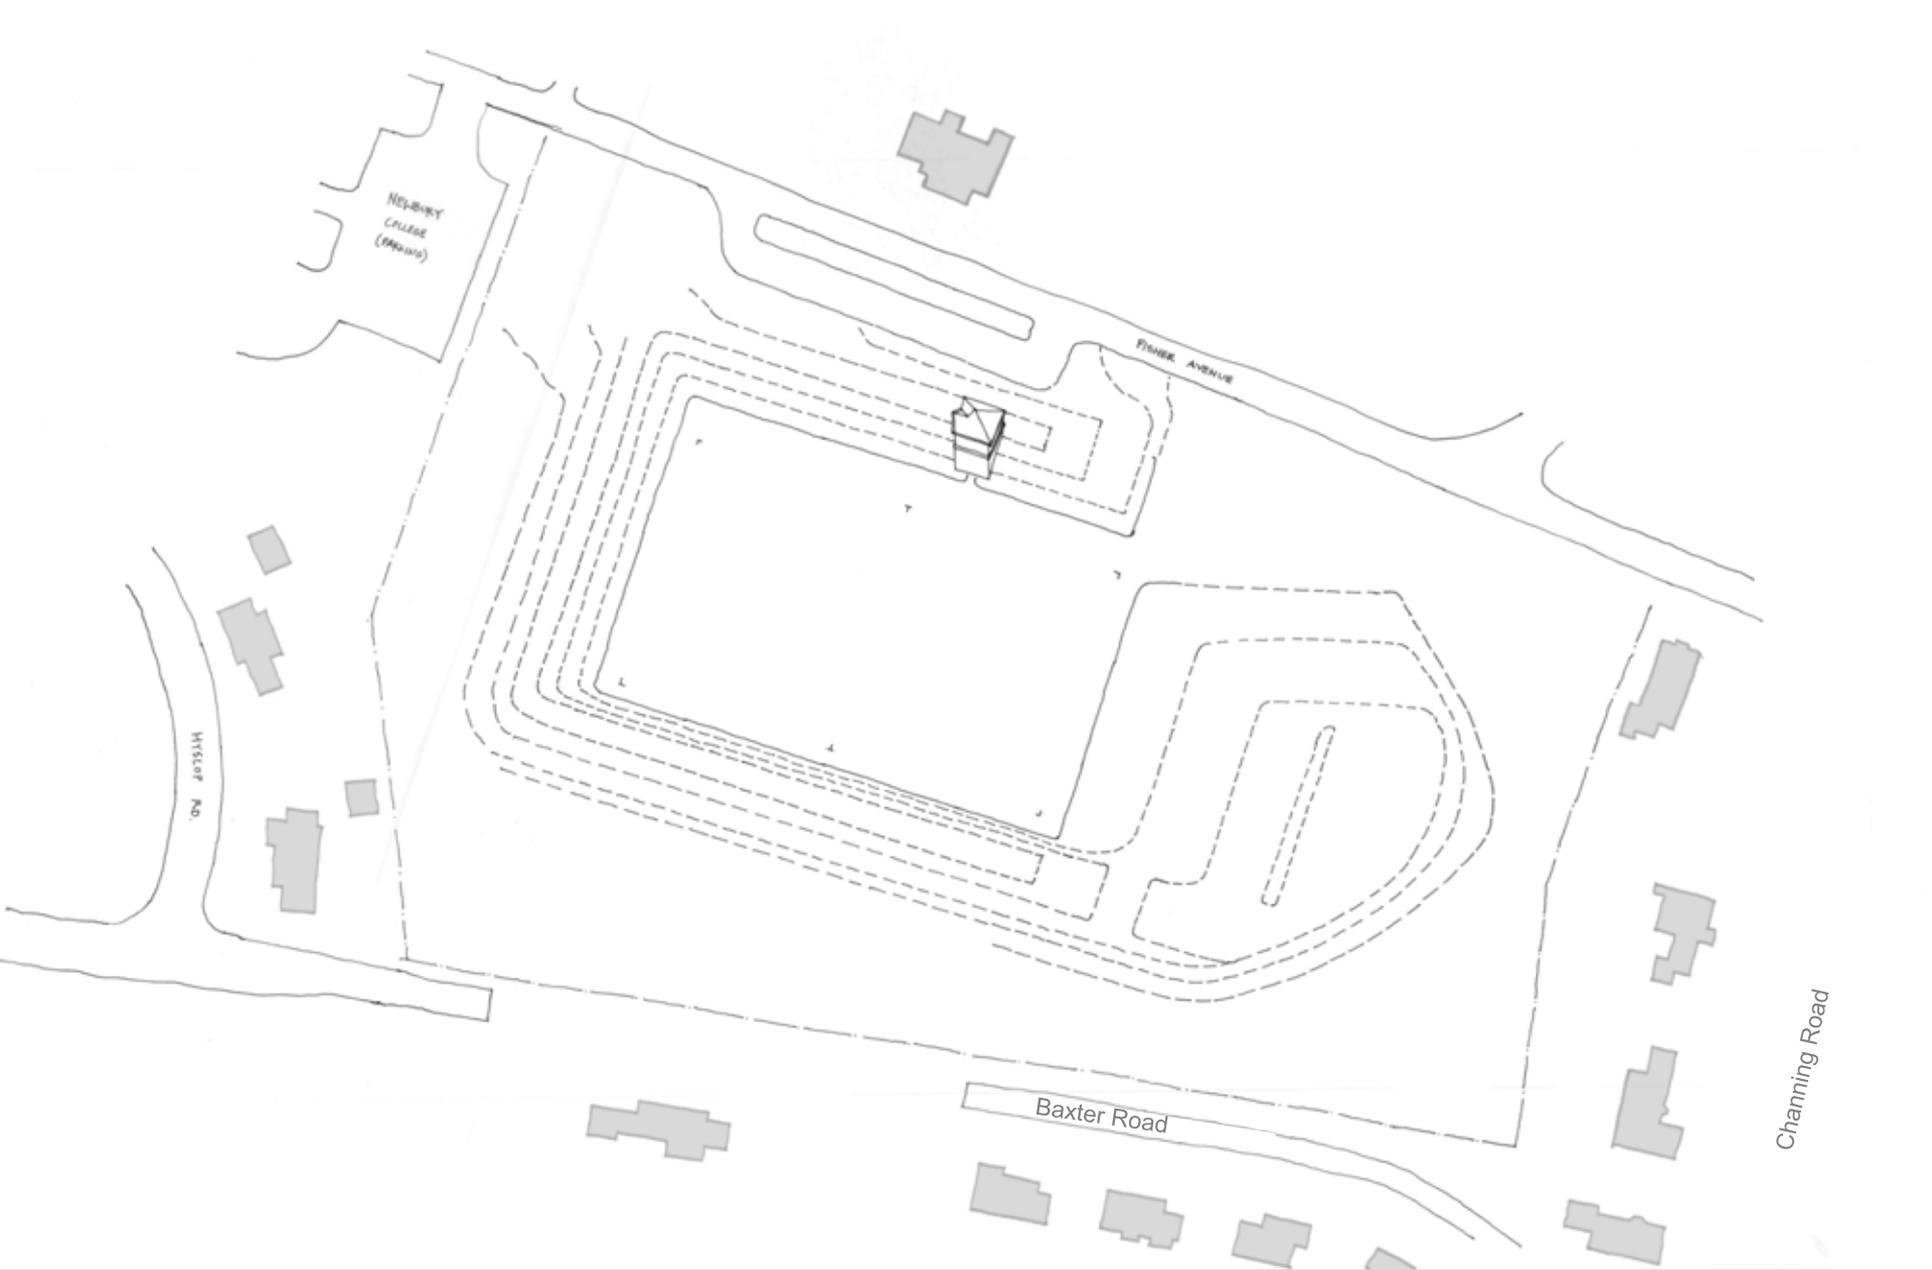

Elements to be included or considered:

- Multi-generational use - play space & paths
- Water feature, perhaps tied to water history
- Keep the berms for seating, noise control
- Skating, amphitheater, seating throughout
- Edible plants
- Retained or restored habitat, birding opportunities
- Restored gatehouse/comfort station
