Dear Ms. Morelli -

We are writing to express our support for the proposal for 100 new apartments at 217 Kent Street. This proposal will bring much needed new housing, including 25 affordable units, to a location that provides easy access to public transportation.

We have looked at the notes from previous meetings, the plans that have been submitted, and the responses to questions that have been raised. The development team has made changes that address concerns about the project in responsive and creative ways. This will be a welcome and much-needed addition to Brookline's stock of housing, especially affordable housing.

We recommend that the plan be approved.

Sincerely,
