To: Maria Morelli <mmorelli@brooklinema.gov>

Dear Ms Morelli,

I support the newest version of the 40B proposal for a new building at 217 Kent St. It fits into the neighborhood architecturally, and echos Brookline's other larger residential apartment buildings. Brookline and the greater Boston area desperately need more housing of all kinds, but especially affordable homes.

Please add my support to the ZBA hearing record.

Many thanks,  
Katha
