PRESS RELEASE
Brookline's Carlton Street Footbridge
Reopened to the Public Friday, August 11, 2023
with a
Celebration to be held 1-3pm, Sunday, September 17, 2023

To: Brookline Select Board, TMMs, Monmouth Neighbors, Advocates, and Project Team

Reopening: With the cooperation of the MBTA and at the direction of MassDOT Highway (District 6), Aetna Bridge Company, the Rhode Island based bridge Contractor, successfully completed all outstanding safety issues at the project's Final Punch List permitting a full reopening of the newly rehabilitated and universally accessible Carlton Street Footbridge this past Fri., Aug. 11, 2023:

Celebration: Please join the Town of Brookline, Department of Public Works on Sunday, September 17, 2023, to celebrate the rehabilitation of the historic 1894 Carlton Street Footbridge, and reopening of Frederick Law Olmsted's planned 1889 gateway to Riverway Park and link to the Emerald Necklace Parks. Event logistics follow, and Invitation included as separate attachment:

Please join the Department of Public Works in celebrating the newly rehabilitated Carlton Street Footbridge.

Located at the intersection of Carlton and Colchester Streets.

Event on the park side of the bridge.
