**FINAL VOTE OF TOWN MEETING**

Moved: That the Town adopt the following resolution:

Whereas, changes to create traffic calming can have a significant effect on the daily lives of residents;

Whereas, the existing Traffic Calming Policy and Procedures were written in 2001 at which time traffic calming was a new idea in Brookline;

Whereas the Transportation Board has had ten years of experience in developing and implementing traffic calming measures;

Whereas new approaches and strategies for traffic calming continue to evolve;

NOW, THEREFORE BE IT RESOLVED THAT:

Town Meeting urges the Transportation Board to assess and evaluate its current Traffic Calming Policy and Procedures and revise them, where necessary, to reflect best practices regarding traffic calming planning, including public outreach and participation, development, and implementation; and

BE IT FURTHER RESOLVED, that Town Meeting urges the Transportation Board to submit its findings to the Board of Selectmen by the end of November 2011, after soliciting public input at least one public hearing held after making a draft of the proposed policy and procedures publicly available through timely dissemination both by prominent placement on the Town website and also by a link thereto from by-law §3.21 listserv e-notices.
