Permit Location and Number Requested

Name of Commercial District:
(See page two for listing)

Residential Side Street Requested:
(Does not guarantee street assignment)

Number of Permits requested: Number of permits issued may be less depending on the number of total permits applied for within your Commercial Zone. If more permits are applied for then available DPW Transportation reserves the right to issue them on a proportionate basis.

Terms and Conditions for Use of Resident Permit

1. This Commercial Parking Permit allows its holder to park a vehicle in a legal space on a specific street in a specific commercial zone Monday through Saturday from 8 am to 8 pm. When a vehicle is parked outside of its designated street, it may be parked for no longer than 2 hours at any time.
2. This Commercial Parking Permit must be affixed to the the rear view mirror. It may be shared by different persons directly employed by the business to which the person is assigned.
3. The holder of this Commercial Parking Permit agrees to conform with all parking restriction and prohibitions posted by signage or otherwise in effect on all streets in its permit zone (e.g., do not park in a loading zone, on a crosswalk, in a no parking zone, within 10 feet of a fire hydrant, in front of a driveway, etc.).
4. **This Commercial Parking Permit expires annually on July 1 and must be renewed to remain in effect.**
5. The issue and continued use of this permit shall be at the discretion of the Transportation Board and DPW Transportation Division. This permit may be revoked if the vehicle on which it is affixed is parked regularly for extended periods at a different location then the one it is assigned. **No refunds are offered for these permits.**
