You must purchase the guest parking pass after 8 pm on the day in which you intend to use it. Guest parking passes expire at 8 am the morning after the day of purchase.

Can I park in a non-Guest Overnight space if all designated spaces are taken?

Please park only in those parking spaces that have been reserved with a green and white overnight guest parking sign or have no posted signage except the space number signs. Do not park in spaces with ZipCar, Resident Overnight, Handicap, etc. signage. If all spaces are occupied please park in one of the other nearby lots. If you park in any other spaces, you may be found in violation of the overnight parking ban and fined.
