TRAFFIC CALMING REQUEST FORM

The Town of Brookline is committed to:

- Improving the livability and safety of Brookline neighborhoods by mitigating the impact of traffic and promoting safer conditions for residents, motorists, bicyclists, and pedestrians;
- Installing traffic calming measures on streets where their implementation will reduce traffic speeds, minimize cut-through traffic, or improve the safety of movements by pedestrians and bicyclists;
- Implementing traffic calming techniques that are both effective and compatible with the character of the affected neighborhoods and improve public safety without jeopardizing emergency response needs, creating hazards, or reducing mobility;
- Encouraging citizen involvement in all phases of neighborhood traffic management;
- Influencing driver behavior through education and design;
- Ensuring that limited Town resources are utilized in a cost-effective and efficient manner.

Traffic Calming Request Form Directions: Please fill out this form and mail it to the address listed below. By using this form you will help us assess the type of issues or concerns you are having with a street in your neighborhood. Each request will be considered separately. Following the submittal of a request the DPW – Transportation Division staff shall confirm receipt and send a response letter that includes a list of current Traffic Calming Requests, the steps that are involved in the process, and the approximate time line for the Initial Needs Assessment investigation and report.
