Policy

It is the goal of the Board of Selectmen (“Board”), as the local liquor licensing authority, to provide for a reasonable number and variety of well-run establishments for the sale and service of food and drink as will meet the public need and serve the common good. Further, it is the goal of the Board to regulate such establishments to ensure they are operated responsibly and do not detract from the quality of life in neighborhoods or in the Town as a whole. The Board expects and requires that principals and managers are of sound character and are qualified according to legal requirements and local regulations. Common victuallers and innholders must show the Board that they will operate a closely-supervised, well-managed restaurant, with the service of alcohol as a secondary service that supports the primary function of food service.

Hours of operation shall be regulated so as to protect the quality of life in neighborhoods and to discourage excessive drinking. Server training and other conditions shall be imposed to insure the responsible service of alcoholic beverages. Entertainment appropriate to a dining atmosphere or a special event may be approved.

Strong and consistent enforcement of all liquor laws and regulations shall be maintained. Regular inspections by the police shall be conducted. Violators shall be subject to possible suspension or revocation of their license. Discipline for violations may also include reducing hours or imposing other restrictive conditions.

The rules and regulations that follow have been enacted to achieve the above-stated goals.

Section A. GENERAL — APPLIES TO ALL COMMON VICTUALLER, INNHOLDER, RETAIL PACKAGE STORE, AND CLUB LICENSES
(M.G.L. c. 138, §§ 12 and 15)

A.1.) Applicability of Town Liquor Regulations; Nature of License / Nature of License

All common victualler, innholder, retail package store, and club licenses to sell alcoholic beverages issued pursuant to Sections B, C, and D of these regulations are subject to and conditioned on compliance with the regulations contained in this Section A.

The term “license” is used in its technical sense of a license, transferable and revocable as provided in Chapter 138 of the Massachusetts General Laws and these regulations. The provisions in these regulations for the issue of licenses imply no intention to create rights generally for persons to engage or continue in the transaction of the business authorized by the licenses. No holder of such a license shall have any property right in any document or paper evidencing the granting of such license, and the Board, upon the expiration, suspension, revocation, cancellation or forfeiture of such a license shall be entitled upon demand to the immediate possession thereof.

(See M.G.L. c. 138, § 23.)

A.2.) Legislative Authority / Compliance with Laws, Regulations, By-Laws and Conditions

These regulations are adopted by the Brookline Board of Selectmen (“Board”) pursuant to the provisions of the Massachusetts General Laws (“M.G.L.”), Chapters 138 and 140. Any and all licenses issued by the Board shall be governed by, and subject to, the licensee’s compliance with all applicable federal, state and local laws, regulations and by-laws, including, but not limited to, the M.G.L., the regulations of the Alcoholic Beverages Control Commission (“ABCC,” at 204 Code of Massachusetts Regulations (“C.M.R.”)), these regulations, the Town of Brookline’s By-Laws, all applicable building, fire prevention, zoning, health and sanitary codes, and any conditions the Board imposes on specific licenses. Where there is conflict between these regulations and a condition on a license, the condition shall govern unless it is inconsistent with law. The Board reserves the right to modify and supplement these regulations and the conditions on any license after due notice and hearing.

(See M.G.L. c. 138, §§ 2, 23, 30H, 62, 64.)

A.3.) Qualified Applicants

No license for the sale of alcoholic beverages shall be issued to any person who is not, at the time of his or her application, a citizen of the United States, or to any agent of any such person, or to any corporation a majority of whose directors are in fact aliens. In addition, persons applying for licenses must be at least 21 years of age and of good character. An applicant for a common victualler or innholder liquor license must, in addition, be qualified pursuant to Section B.2 of these regulations. An applicant for a retail package store liquor license must, in addition, be qualified pursuant to Section C.2 of these regulations. An applicant for a club liquor license must, in addition, be qualified pursuant to Section D.2 of these regulations.

(See M.G.L. c. 138, §§ 12, 15, 26, 34.)

A.4.) Application for a License

All applications must contain complete and truthful information. Submission of an application containing false information shall be cause for refusing the application or for suspending, canceling or revoking a license already granted. No application will be accepted for filing by the Board until it is fully complete in accordance with the Town’s and the ABCC’s requirements. Filing fees must be paid prior to processing of the application by the Board. Annual license fees shall be payable immediately upon approval of the license by the Board. All filing fees and license fees shall be paid by certified check. Filing fees are non-returnable once an application has been accepted by the Board. License fees shall not be prorated and are not refundable.

No person or entity shall obtain or renew a license unless the applicant can demonstrate proof of a legal right to the licensed premises for the term of the license, such as ownership papers, tenancy documents, or a management contract.

Where United States citizenship is stated as a qualification by these regulations, such citizenship shall be proven by a birth or naturalization certificate or by proof of registered voter status. The Board reserves the right to request to inspect a copy of such proof containing an original seal, in the event an applicant supplies a photocopy not containing such seal.

The Board shall consider the public need and common good in determining whether or not to grant a request for a new liquor license. In considering whether the public need and common good would be served by granting a new license, the Board may consider the number and location of existing licenses, the sort of operation proposed, the qualifications of the applicant and proposed manager, any impact on the community with respect to matters such as noise, traffic, congestion, odors, sanitary and/or nuisance conditions, waste disposal requirements and facilities, parking, dust and fumes, the impact on the character of the neighborhood and the Town, and whether any articulable harm would follow from the granting of the license. The Board may refuse to grant licenses to common victuallers, innholders and clubs in certain geographic areas of the Town where the character of the neighborhood may warrant such refusal. Prior to issuing a license, the Board shall seek advisory reports from the Police Department, Fire Department, Treasurer/Collector, Health Department, Building Department, and Planning Department, as appropriate. The Board shall hold a hearing on an application for a new liquor license.

The Board may deny an application for renewal of a license where there is cause for doing so. Prior to issuing a renewed license, the Board shall seek advisory reports from the Police Department, Fire Department, Treasurer/Collector, Health Department, and Building Department, as appropriate.

The applicant's failure to comply with any federal, state or local law, regulation, or by-law shall be cause for denial of the application.

(See M.G.L. c. 138, §§ 12, 15, 15A, 16A, 23, 70; 204 C.M.R. Parts 2.01(1), (7) and (8); Article 8.10.7 of the Town of Brookline By-Laws; *Ballarin v. Licensing Bd. of Boston*, 49 Mass. App. Ct. 506 (2000).)

A.5.) Multiple Applications and Reapplications

The Board will not accept more than two applications for a common victualler, innholder, club, or retail package store liquor license to be exercised on the same premises during the same license year. The Board will not accept an application by the same applicant for the same type of license to be exercised on the same premises within one year of the date of the last application unless a Board member, who previously voted against the license application, moves to allow the resubmission and such motion prevails.

(See M.G.L. c. 138, §§ 15A, 16B.)

A.6.) Transfers in Ownership or Premises and Changes to Description of Licensed Premises

No licensee may transfer to another person any license issued pursuant to these regulations, except upon application to and approval by the Board of the transfer.

The Board may approve the transfer of a license to any person or entity who would have been qualified to receive such license in the first instance, if, in the opinion of the Board, the transfer is in the public interest. A license may not be transferred to a new location and the description of the licensed premises may not be changed except with approval of the Board.

Any such transfer shall be subject to the terms and conditions of the original license, unless stipulated by the Board.

(See M.G.L. c. 138, § 23.)

A.7.) Premises' Description

No licensee shall keep for sale, store, or sell alcoholic beverages in any part of the premises not specified on the license.

No new license shall issue until an applicant has submitted to the Board and obtained the Board's approval of a description, illustration, and/or detailed plan of the premises (drawn to scale as may be necessary) describing the placement of waiting areas, tables, chairs, stools, fixed seating, booths, service counters or bars, standing only areas, entertainment areas, dance floors, kitchen facilities, bathrooms, hallways, rooms, railing partitions

and other barriers, entrances and exits, and interior doors, and describing the premises' signage and any other exterior and interior decorations or features. Applicants must comply with the provisions of the Town of Brookline's Sign By-Law.

Where there are no premises actually in existence at the time of an application, the applicant shall submit with its application a detailed description as described above, describing the premises proposed to be constructed.

A licensee must apply for and obtain the Board's approval prior to making any a) structural change to the premises, b) change in Board-approved alcohol service areas, c) physical change that results in an increase in seating capacity, and d) physical change to the premises pertaining to the fixed placement of tables, chairs, stools, fixed seating, booths, service counters or bars, entertainment areas, dance floors, kitchen facilities, bathrooms, hallways, rooms, railing partitions and other barriers, entrances and exits, interior doors, and signage and any other exterior decorations or features. An application for any such physical change shall be accompanied by a description, illustration and/or detailed plan (drawn to scale as may be necessary) describing the premises with such proposed changes.

Prior to their approval by the Board, the Building Commissioner shall approve all plans contemplated by this Section A.7.

The Board may suspend, cancel or revoke a license in the event it determines that the licensee constructed or made changes to the premises in violation of this Section A.7.

(See M.G.L. c. 138, §§ 2, 12, 15A, 23, 30H; Article 5.8 of the Town of Brookline By-Laws.)

A.8.) Taxes and Charges

All taxes and charges owed to the Town must be paid on a current basis. The Town may place a lien on the property of any person who has an outstanding balance due the town from any fee, charge or tax, which balance is at least six months past due.

(See M.G.L. c. 40, § 57 (adopted by the Town in November 1995); Article 4.7 of the Town of Brookline By-Laws; 1986 Mass. Acts ch. 316.)

A.9.) Corporate and Trade Names

No licensee shall assume obligations for a licensed premise or conduct business under any corporate or trade name (DBA) other than that stated on the license. Any change in corporate name or status or any change in trade name (DBA) from that the Board previously approved shall require the prior approval of the Board.

A.10.) Corporate Transactions and Changes in Operations

The licensee shall not change Manager, Alternative Manager, or corporate directors or officers; sell or transfer corporate stock, control or ownership interest in the licensed entity; pledge corporate stock, an ownership interest, the liquor license, or inventory as security; change the corporate name; accept a loan or credit from another licensee; or make any significant change in the operations (such as changes to hours of food and alcoholic beverages service, and changes to food and beverages (including alcoholic beverages) offerings), without first obtaining the approval of the Board. No person may have a direct or indirect beneficial interest in a license without first obtaining the approval of the Board.

(See M.G.L. c. 138, §§ 2, 15A, 23, 25, 26.)

A.11.) Cessation of Operations / Permission Required

Any licensee intending to close a place of business or cease sales of alcoholic beverages, whether on a temporary or permanent basis, must notify the Board in writing and obtain its prior permission, stating the reason for and length of such closing or inactivity. Failure to provide such notice and to obtain such permission may, after hearing or reasonable opportunity therefor, result in cancellation of the license.

(See M.G.L. c. 138, §§ 23, 77.)

A.12.) Bankruptcy and Court Proceedings

The licensee shall immediately notify the Board in writing of any proceedings brought by or against the licensee under the bankruptcy laws and of any other court proceedings which may affect the status of the license.

A.13.) Foreclosure on Loans

Assignment of stock in incorporated licensed places for the purpose of safeguarding the assignee on loans gives no right to such assignee to conduct the business of the licensee; therefore, licensees must notify the Board immediately when the assignee forecloses under such assignment of stock.

A.14.) Access to Premises, Inspections, Required Documentation on Premises, and Requests for Information by the Board and its Agents

The Board or its agent, including the Police and other inspectional departments, may at any time enter upon the premises of the licensee to ascertain the manner in which the licensee conducts its business under such license and whether it is in compliance with the conditions of its license and all applicable federal, state, and local laws, regulations and by-laws.

Holders of common victualler, innholder and club liquor licenses under Sections B and D of these regulations shall maintain behind the bar, and holders of retail package store liquor licenses under Section C of these regulations shall maintain in the area of the cash register, a loose-leaf notebook containing an employee roster (see Section A.20) and all documentation required to be kept by such licensees pertaining to the licensee's Safe Service of Alcohol Policy, server training and Crowd Manager training (see Sections A.26, A.27, and A.28, respectively).

Licensees shall supply to the Board or its agent such information as the Board or its agent may require for purposes of the proper enforcement of these regulations. Any hindrance imposed by a licensee to an inspection, or any refusal by a licensee to supply information that is requested by the Board or its agent pursuant to this Section A.14, shall be cause for action against the license.

(See M.G.L. c. 138, §§ 12, 63, 63A.)

A.15.) Display of Licenses and Permits

All licenses and permits issued by the Town pursuant to these regulations shall be displayed on the premises in a conspicuous place where they can be easily read.

(See 204 C.M.R. Part 2.01(10).)

A.16.) Occupancy

No licensee shall vary the occupancy of the licensed premises as certified by the Building Department.

(See M.G.L. c. 138, § 12.)

A.17.) Hours of Operation

The hours of operation shall be restricted to those set by the Board. No patrons shall be on the premises except during the hours permitted by the licensee's liquor license, or by the licensee's common victualler, innholder, club or food vendor license, if different.

A.18.) Manager and Alternate Managers; Responsibilities

No corporation or other legal entity shall be approved for a license unless the entity, by vote of its board of directors, has appointed a Manager for the licensed premises whom the Board deems capable of fulfilling his or her managerial responsibilities as set forth herein and who is a United States citizen, at least 21 years of age, and of character satisfactory to the Board, and who has been vested with full authority and control of the premises and the business to be licensed as demonstrated by a copy of a vote certified by the clerk or secretary of the entity. With the approval of the Board or the Board's designee, a corporation or other legal entity may appoint Alternate Managers (who must be at least 21 years of age) to be in charge in the absence of the Manager in number sufficient to meet operational needs, however, the Manager must be on the premises the lesser of either fifty (50) percent of the time the premises are open, or forty (40) hours per week during

operational hours. At no time shall the premises be open without a duly-appointed and Board-approved Manager or Alternate Manager in charge; however, in the event of an emergency, the Manager or Alternative Manager on site who needs to leave the premises shall designate another employee who is qualified under Section A.27 below to act as the temporary manager on duty. A written record shall be kept which identifies the manager on duty for each shift.

The Manager shall have total responsibility for the proper operation of the licensed premises and shall maintain order and decorum within the premises, whether present or not, and shall cooperate in all ways with Town Officials in ensuring safe and orderly facilities. The Manager shall not permit any illegality, disorder, indecency, prostitution, lewdness or illegal gambling in or on the premises. No appointment of a Manager or Alternate Manager shall be effective unless and until approved by the Board.

The Board shall not approve a Manager or Alternate Manager who is not qualified for such position pursuant to this section and Section A.27 below.

(See M.G.L. c. 138, § 26; 204 C.M.R. Part 2.01(6).)

A.19.) Employees on Premises after Closing Hours

A licensee or manager shall not be prohibited from being on the licensed premises at any time. Employees, contractors, and subcontractors of the licensee shall not be prohibited from being on the licensed premises for the purpose of cleaning, making emergency repairs, providing security for such premises, or preparing food for the next day's business or opening or closing the business in an orderly manner.

(See M.G.L. c. 138, § 12.)

A.20.) Employee Roster and Employee Minimum Age for Service of Alcohol

An up-to-date list of all employees, including their ages, shall be available on the premises at all times for review by the Board and its authorized agents. A licensee may not permit an employee under the age of 18 years old to handle, sell, mix or serve alcohol.

(See M.G.L. c. 138, § 34.)

A.21.) Employee Consumption Prohibited

No Manager, Alternate Manager or employee of the licensee shall consume any alcoholic beverages while on duty at the licensed premises, with the exception of minor alcoholic consumption for staff training and product selection purposes under the supervision of the manager on duty.

A.22.) No Disorder, Disturbance, or Illegality on Licensed Premises

No licensee shall permit any disorder, disturbance, or illegality of any kind on the licensed premises.

(See 204 C.M.R. Part 2.05(2).)

A.23.) Service Prohibited To Under-Aged and Intoxicated Individuals

No alcoholic beverages shall be sold to anyone who is under twenty-one (21) years of age or intoxicated.

(See M.G.L. c. 138, §§ 34, 69; 204 C.M.R. Part 2.05(2).)

A.24.) Identification Cards

Any licensee who reasonably relies on the following forms of identification for proof of age shall not thereby subject the license to modification, suspension, revocation or cancellation: a) a valid Massachusetts motor vehicle driver's license with photograph, b) a valid Massachusetts Liquor Purchase Identification Card, c) a valid Massachusetts identification card issued by the Massachusetts Registry of Motor Vehicles pursuant to M.G.L. c. 90, §, 8E, d) a valid passport or passport card issued by the United States government, or a valid passport issued by the government of a foreign country recognized by the United States government, or e) a valid United States-issued military identification card. Additionally, a licensee who sells alcohol to an under-aged person may be subject to sanction against the license in the event the licensee relied on proof of age other than one of the forms of identification enumerated in this Section.

(See M.G.L. c. 138, § 34B; 204 C.M.R. Part 2.10.)

A.25.) Required Posting

All licensees shall post conspicuously a copy of the explanation of the prohibition, and penalties for violation of the prohibition, applicable to persons under the age of 21 years for purchasing or attempting to purchase alcohol, misrepresentation of one's age, and altering, defacing or falsifying identification with the intent to purchase alcohol, in the form that such posting is distributed by the Alcoholic Beverages Control Commission.

(See M.G.L. c. 138, § 34A.)

A.26.) Safe Service of Alcohol Policy

The licensee shall establish and maintain a written policy applicable to the Manager, any Alternate Manager(s) and all employees stating the licensee's prohibition on the sale or service of alcohol to any person who is under 21 years of age or who shows signs of intoxication, the proper procedures for verifying that patrons are at least 21 years of age and not intoxicated, and the disciplinary measures that will be taken for violating such policy. The licensee shall provide such written policy to all managerial personnel and employees. Each Manager, Alternate Manager and employee shall sign a certification acknowledging the person's receipt, review, and understanding of the written policy and of the disciplinary action that will be taken against him or her for a violation, which certifications shall be maintained on the licensed premises at all times. A copy of the written policy and of all such certifications shall be available to the Board and its authorized agents upon demand.

A.27.) Server Training

The Manager, any Alternate Manager(s), bartenders, and all employees selling or serving alcohol must participate in a safe-service-of-alcohol training program designed for the specific type of liquor license held by the licensee (*e.g.*, for on-premises consumption versus for retail package store sales) to train persons serving or selling alcohol in methods of observation and detection to avoid serving or selling alcohol to intoxicated persons and/or minors. Only insurance industry-approved and qualified training programs will satisfy this training requirement. All Managers and Alternate Managers must receive in-person training in order to be employed as a Manager or Alternate Manager. Non-Managerial employees selling or serving alcohol must be trained within fourteen (14) days of employment by the licensee, and may satisfy this training requirement through on-line training. All persons subject to this training requirement must be retrained every three years in the manner specified by this Section for that position. The licensee shall maintain on the licensed premises and make available for inspection at all times a copy of the certification card and other proof showing that each person subject to this training requirement has been trained in the manner specified by this Section within the prior three (3) years.

A.28.) Crowd Manager

Notwithstanding any limitations on applicability otherwise described in the State Board of Fire Prevention regulations, 527 C.M.R. 10.13(2)(d)(1), (2) and (3), any licensee that has a bar on the licensed premises shall designate one or more persons as a Crowd Manager, at least one of whom shall be present during the operational hours of the restaurant. The designated Crowd Manager(s) shall be trained in accordance with 527 C.M.R. 10.13(2)(d)(5) and perform the duties and have the qualifications and responsibilities described in 527 C.M.R. 10.13(2)(d) and (e), including, but not limited to, maintaining clear paths of egress, assuring that the facility does not exceed its occupant load limit, initiating a fire alarm if necessary, directing occupants to exits, and assuring general fire and life safety awareness of employees and occupants, including assuring that exit announcements are made in accordance with law. To the extent the requirements of 527 C.M.R. 10 may exceed this regulation, the provisions of 527 C.M.R. shall pertain.

A.29.) Charge for Alcoholic Beverages

Except as may be permitted by Sections B(13) ("Tastings") and C(6) ("Consumption on Premises Prohibited Except Sample Tastings"), no alcoholic beverages shall be delivered without charge or sold for a fee less than the actual cost of the beverage to the licensee. An admission charge shall not be credited towards the purchase price of any alcoholic beverage. The price charged for alcoholic beverages shall not be discounted for any particular hour(s) of the day or day(s) of the week. No minimum charge shall be made for alcoholic beverages.

(See 204 C.M.R. Parts 2.04, 4.03.)

A.30.) Drinking Games / Donations of Alcoholic Beverages Prohibited

No licensee shall encourage or permit on the licensed premises any game or contest which involves drinking or the awarding of drinks as prizes.

Donations of alcoholic beverages by licensees for the purpose of having the same used as prizes in a game of chance are prohibited. Notwithstanding the foregoing, this Section A.29 does not prohibit donations of alcoholic beverages to the extent permitted by Section E.4(a)-(c) below.

(See 204 CMR Parts 2.04(2), 4.03(h);; 1997 Mass. Acts ch. 153, as amended by 1998 Mass. Acts ch. 450, 2002 Mass. Acts ch. 398, and 2007 Mass. Acts ch. 229.)

A.31.) Cleanliness / Refuse Removal

All licensed premises shall be maintained in a clean and sanitary condition.

(See 204 C.M.R. Part 2.05(8); Article 8.8 of the Town of Brookline By-Laws.)

A.32.) Noise

All licensees shall comply with all provisions of the Town of Brookline's Noise By-Law, including, but not limited to, with respect to entertainment, outdoor seating areas, exterior fans, vents and equipment, and delivery and loading areas and activity.

(See Article 8.15 of the Town of Brookline By-Laws.)

A.33.) Interior Lighting

All licensees shall keep the licensed premises lighted in a manner sufficient for the safety of the patrons and in a manner sufficient for the Board or its agents to make observations at the premises without the need to identify themselves or seek assistance.

(See 204 C.M.R. Part 2.05(10).)

A.34.) Discrimination Prohibited

No licensee shall engage in unlawful discrimination on the basis of race, color, national origin, creed, disability, sex, sexual orientation, or ancestry.

(See M.G.L. c. 272, §§ 92A, 98; 204 C.M.R. Part 10.01.)

A.35.) Sanctions

In the event that the Board finds, after hearing or reasonable opportunity therefor, that a licensee has failed to comply with any federal, state or local law, regulation or by-law, or with any condition imposed on the license, the Board shall take such action as it deems appropriate and as conforms with applicable law, including, but not limited to, the imposition of additional conditions on the license and/or on any of the licensee's other licenses (such as a common victualler or entertainment license), a reduction in liquor sale hours (subject to any applicable legal restrictions, and after a hearing conducted with two (2) weeks' notice to the licensee), a modification of any license, a suspension of any license of from one (1) to ninety (90) days, a non-renewal of any license (which non-renewal shall not take effect until any period for appeal to the ABCC has expired or an appeal to the ABCC has been filed), or revocation, forfeiture, or cancellation of any license.

In determining the appropriate sanction to be imposed on the licensee, the Board shall consider all factors it deems relevant, which may include, but are not limited to: the past history of findings of violation(s); the severity of the offense and egregiousness of the facts alleged; the culpability of the licensee and/or its manager(s), employee(s) and agent(s) (including the extent to which it had established and followed procedures to prevent such violations); the extent of any threat to public safety and to the public good; any steps by the licensee to remedy the violation and to prevent any reoccurrence; and any other additional factors deemed relevant by the Board.

In addition to the foregoing, where the Board finds that a common victualler, innholder or club liquor licensee sold alcohol to an under-aged or intoxicated person, the Board may, in its discretion, require as a condition precedent to any modification, reinstatement, or renewal of such license that the licensee provide a certificate of insurance for liquor liability providing security for the liability of the licensee to a limit of not less than \$100,000 to any one person and \$200,000 to all persons, which may be increased at the discretion of the Board; provided that if the licensee is required to obtain insurance under M.G.L. c. 138, § 12, the Board may increase the limits set by Section 12 (*see* Section B.5).

Upon the Board's suspension, revocation, cancellation, forfeiture, or refusal to renew a license, the holder shall physically surrender the license to the Office of the Board at a date and time determined by the Board.

The initiation and prosecution of a criminal enforcement action under Mass. Gen. Laws ch. 138 or any other law shall not prevent or estop the Board from taking other or additional action against the licensee for the same charged violation.

In addition, a violation of these regulations may be subject to non-criminal disposition under Article 10.3 of the Town's By-Laws. After providing the licensee with a hearing or reasonable opportunity therefor and the opportunity to cure the violation, the Police Department is authorized to implement and enforce Article 10.3 without further action by the Board with respect to the following regulations:

- A.14 ("Access to Premises, Inspections, Required Documentation on Premises, and Requests for Information by the Board and its Agents")
- A.15 ("Display of Licenses and Permits")
- A.18 ("Manager and Alternate Managers; Responsibilities" (only with respect to the prohibition against conducting business without a duly-appointed and Board-approved Manager or Alternate Manager on site))
- A.20 ("Employee Roster and Employee Minimum Age for Service of Alcohol")
- A.25 ("Required Posting")
- A.26 ("Safe Service of Alcohol Policy")
- A.27 ("Server Training")

The Police Department's imposition of a penalty pursuant to Article 10.3 and this Section A.35 shall not prevent or estop the Board from taking other or additional action against the licensee for the same charged violation.

(*See* M.G.L. c. 138, §§ 2, 12, 16A, 23, 30H, 64, 64A, 65; 204 C.M.R. Parts 2.01(8), 7.06, Art. 10.3 of the Town of Brookline By-Laws.)

E.5) Alcoholic Beverages on Town Property

Any person or entity who seeks to sell alcoholic beverages on Town property must either have a Board-issued Section 14 temporary license or a State-issued caterer's license permitting such sales.

Unless a person or entity has a Board-issued Section 14 temporary license, no alcoholic beverages may be furnished on Town property except as the Board may permit by permit. This permit requirement applies both to caterers selling alcoholic beverages under a State-issued caterer's license, and persons and entities furnishing alcoholic beverages on a non-sale basis. The Board may grant the permit to furnish alcoholic beverages on Town property after hearing, subject to such conditions as it may specify. The Board shall fix and shall specify on the permit the hours during which a permittee may furnish alcoholic beverages, but in no event shall delivery of alcoholic beverages occur between the hours of 2 a.m. and 8 a.m.

An application for a permit to furnish alcoholic beverages on Town property on a non-sale basis must be made by a person or, if an entity, an officer or duly appointed representative of the entity. Any such application shall be accompanied by an affidavit signed under the penalties of perjury by the applicant or, if the applicant is an entity, the responsible manager, stating that a) alcoholic beverages will be served free of charge to all guests over 21, b) there will be no sale of alcoholic beverages at the event or any charge imposed upon guests for alcoholic beverages, c) the event is not open to the public and tickets are not available for purchase, and d) the event is by invitation only. The Board may grant the permit to furnish alcoholic beverages on Town property if it determines that no sale of alcoholic beverages will take place at the event. In such cases, the permit shall be deemed conditional on the permittee's compliance with the factual representations recited in the affidavit.

(See Article 6.2, Town of Brookline By-Laws.)
